# Mature Love

---

---

## **MATURE LOVE**

1. You are attracted to his/her interests, ambitions, appearance, feelings, hobbies, actions and ideas.
2. Your interest in and caring for each other is mutual and responsible.
3. You respect each other's values.
4. You are proud to introduce him/her to your friends and family.
5. You can disagree constructively.
6. You are supportive of each other's separate activities and friendships.
7. You consider the other person as an equal.
8. You are realistic about his/her weaknesses.
9. You communicate actively and honestly.

## **IMMATURE LOVE**

1. You are jealous of each other's friends and time.
2. You think of yourself more than the needs of the other person.
3. You lose interest in former activities and hobbies.
4. You ignore the weaknesses of the other person.
5. Your family and friends don't approve of the relationship.
6. You ignore old friends.
7. You depend on this person for all good feelings.
8. You fight constantly.
9. You feel physical attraction only.
10. You can't be apart.
11. You have few things in common.
