Fall 2014

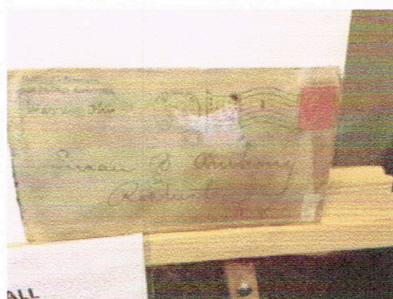

Dear Friends,

For me, the highlight of summer was the Susan B. Anthony Legacy Event, a 4 day immersion into the life, times and work of Miss Anthony. Friends of the National Susan B Anthony Museum & House welcomed 14 distance travelers from 9 different states and Canada. Many locals also joined the day trips and special events.

Beginning with a Welcome Wine Tasting & pairing with sommelier Holly Howell, we were entertained and dazzled about local female vintners. In the days that followed, we traveled to the birthplace of the Women's Rights Movement in NY. Locally, we heard from guest lecturers and experts and explored Miss Anthony's Rochester by bus. A true highlight was a rare opportunity to look at artifacts behind the scenes in our local museums.

Perhaps the best part of the week was sharing this special time with our amazing new friends! It was a time of "building bridges", like Miss Anthony & Mr. Douglass over 150 years ago. I strongly encourage all of you to learn about the rich history of this great city and the powerful legacies of its history makers. You won't be disappointed.
