Throughout her diary St. Faustina writes about Jesus sorrow that people will not trust Him to have mercy on them.. even after my death on the cross. Let the sinner not be afraid to approach me the flames of mercy are burning me clamoring to be spent. This trust on the part of souls is tearing up my insides, the distrust of a chosen soul causes me even grater pain-Despite my inexhaustible love for them, they do not trust me. Even my death is not enough for them. Wow to the soul that abuses these gifts.
