

Ashtead All Stars 2022-2023 Update No.10, Sunday 26th February 2023

Dear all,

I have a few dates for your diaries this week, and then the results of all League matches over the last few weeks.

Summer Term Netball - starting 19th April

Its hard to believe that Summer is nearly upon again, and I am now looking ahead to our Summer Programme. As usual, the AAS Season finishes at Easter, with the End of Season Tournament on Sunday 23rd April.

However, in order to keep the girls playing over the summer, we run an OPTIONAL Summer Term Netball programme.

All juniors are offered 5 sessions - alternate Wednesdays - on the astro at Downsend. These sessions cost £30 and are matchplay only, so the girls just get to enjoy playing games in the summer evenings.

All our walkers and matchplay groups are offered 10 sessions, every Wednesday - on the astro at Downsend, at a cost of £60.

Your admin will be in touch this week to let you know how to sign up.

End of Season Tournament 2023 - Sunday 23rd April

The hotly anticipated Ashtead All Stars End of Season Tournament is fast approaching on Sunday 23rd April. Please put the date in your diaries.

We had a fabulous day last year, with the whole club playing netball, refreshments, BBQ, end of season awards, guest netballers from Surrey Storm etc. etc.

The tournament is for ALL members, including Walkers, Matchplay etc. And if we have the court space, I might even organise a Dad's match (eek!) TBC

Your admin will be in touch this week to let you know how to sign up.

Surrey Junior Netball League - 26th February 2023
