Octoberfest

The October 27th Oktoberfest social activity is now in the books. We had 72 sign-up at the meetings with 4 walk-ups. The event was planned for a total of 75 and consisted of 2 Beer Bratwurst each, Home-made German Potato salad and a Sourdough Pretzel. The fixings included, Mustard, Ketchup, Relish, Sauerkraut and Fresh Sautéed Onions. We ended up serving 69 meals, I consider this a great showing. The weather was very nice, not too hot nor too cold. Our Members and Guest had time to sit around and socialize and listen to some good old Oktoberfest music. I would like to thank my mom Cres and Kathy Weevie for the help in setting up, then the check in crew of Sue Reeves and Lee Wood, we also received \$140 in donations to help take our Military Fishing. The two cooks, Doug Morrison and Jerry Porter, we cooked 150 Brats in beer then we grilled them on a charcoal bar-b-que, there were no burnt sausages. Our servers were Kathy Weevie, Felicia Scimo (styling with sausage earrings, see photo), Barbara Mori, Shelley DeWitt and Genie Hansen, these ladies kept the line moving and got everyone served in a short time, also Rich and Cindy Bruemmer for their assistance. I thank everyone that helped in cleaning up and Hal Reeser for retuning the gear to the shed. I didn't hear any complaints about the quantity or quality of the food, so I will take it that all enjoyed the meal and friendship. This past year this picnic was my fourth one to chair, I had enjoyed doing them all, I also want to send out a very special thank you to the Member that helps me do all the preparing of the necessary things prior to all the events that I have chaired and that is my mom Cres Mauritz, thank you mom. You can see some photos of this event on the club's Web-Site.

Irish Gig March 2016

We had our March social event which was our Corned Beef & Cabbage picnic. It was held on March 24th at MLK Park in Oceanside. There were 70 members and guest that signed up and we ended up serving 69 members & guest. Our menu consisted of, thinly sliced Corned Beef, Cabbage, Carrots and Red Potatoes. For our bread selection there was Irish Soda bread, Deli Rey, Marble Rey and Black Rey, along with butter, Yellow Mustard and Cream Horseradish. Also the normal sodas and water, all this for the very low price of \$6. A thank you to all those who brought some desert for everyone to share. I would like to send out some very important thank you. The one that help prep all the food and kept me going of course my mom Cres Mauritz, then those who help set up, my mom, Rich Bruemmer, Kathy Weevie & Felicia Scimo. We had our Sue Reeves on the check-in with her helper Lee Wood Raffle ticket sales. Then again we gave the ladies a chance to enjoy the event and we had some different serves. There was Jim Stevenson collecting meal tickets, Perry Boyd on the potatoes, Tom Fukuhara on vegetables, Rich Bruemmer with the meat and Chipp Bridges on bread & butter. With this crew the line ran smoothly and quickly. I giant thank you to all those who pitched in to help clean up and load the gear back up, my apologize for not getting all the names of those who helped with the clean-up. Thanks to Hal Resser for returning the gear back to the club's shed and thank you Kathy Weevie for volunteering to wash the pots & pans. Our Raffle ticket sales brought in \$119.00 for our Wounded Warriors and Kid's trips, thank you to all those member's and guest that reached into their pockets and bought tickets. Our winners were first prize was Lee Wood, then the second prize went to Don Maquet. A very big thanks to my Assistant Rich Bruemmer who was there for whatever was needed, including driving down with me to pick-up all the gear. From what I heard, was that everyone enjoyed the food, after all the work that went into this and hearing that our members and guest enjoyed the food, that's what makes it worth doing. I just might volunteer to do it again next year, just maybe. You can see a few photo of the event on the club's web-site.

Then on this picnic which I do believe is a club's first I gave all the ladies a chance to sit and enjoy the picnic and we had, Larry Cusack, Ray Weiss, Manny Ontiveros, and Mike Mercado as servers along with Eric Gemballa as the ticket collector, great job men, thank you. Then our great cooks Kris Thorsten on burgers with Rich Bruemmer on the dogs, fantastic job cooks, thank you. I need to make sure that I do mention that Ed Denise did offer his assistance, however all duties were assigned by then, thanks anyway Ed. Then a big thank you to my two assistants, Lee Wood and Rich Bruemmer. Then it was great to see everyone pitch in and help to break down and clean-up. The door prize was taken home by our very own Lee Wood. It looked as everyone enjoyed their time at the picnic and enjoyed the food. You can see some photos of the picnic on the Club's web-site.

SILENT AUCTION/PICNIC

Final Report

The weather was great for the picnic and the winds were fairly gentle for this late October (10/28/2015) event at MLK Park, Oceanside, CA.

Almost 50 OSA'ers and their guests each paid \$5.00 for the event and the combined take for the gate, the "white elephant" sales and the door prize sweetened the OSA general fund by over \$400.00. This will serve to augment funding for the club's charitable activities (wounded warriors & kids fishing trips) as well as any other expenses deemed worthy of the club's support.

CONGRATS TO THE TEAM!!

The food consisted of Deli Sandwiches, freshly made at the event, accompanied by generous portions of homemade Pasta Salad loaded with fresh veggies, salami and feta cheese.

The "Honor Roll" for the day:

For PERSIAN FESTA, Tuesday, June 9th 2015

At MLK Park, Oceanside, CA

The kabobs were served hot off the fire and were as savory and tasty as it gets. And the dark reddish spice, which topped off the rice and the meat is called Sumac for all who have asked about it. It can be found in any middle-east food store and is very reasonably priced.

TRIP REPORT

Cousins Tackle Factory

Huntington Beach, CA

Thursday, May 28, 2015

A group of 16 OSA'ers departed the Oceanside Senior Center at about 9:15AM in 4 vehicles arriving at the factory about 10:45AM. 4 more members who drove straight from home, which increased our ranks to 20, joined us there.

Cousin's reps Charlie Albright, Customer Services Manager, Bob Katula of Outside Marketing and the two cousins who started the business, Wade Cunningham and Bill Buchanan, greeted us.

We were split into 2 groups and were treated to a personalized guided tour starting with the design and fabrication of the rod blanks to the wrapping and finishing of the completed rods.

Then we saw the process of manufacturing Sevenstrand Lures including their tuna clone line.

All in all, it was a most interesting tour and the Cousins folks did offer a tour-related bonus discount to all attendees. In a word, Cousins for which we are most appreciative gave us "preferred customer" status.

The trip was arranged and coordinated by OSA member Don Frost who gets a well-deserved "Atta-boy" for his effort.

On the Social Side (Update May 19, 2015)

Well Rich and Cindy Bruemmer hit another home run two months in a row by chairing the pig roast in April and then chairing the ITALIAN FESTA on May 19th. And by moving the venue to MLK Park, they got it back into familiar territory for those poor souls who can't navigate the Hwy 78 freeway. Rich solved the power problem by running his portable generator and by hooking up his electric ovens one at a time to avoid an overload thereby keeping the sausages & peppers/onions and the tortellini hot and tasty.

We had 66 folks signed up for this picnic and the 53 who attended enjoyed the fabulous weather as well as the fabulous cuisine.

The leftovers were a complete sell-out!!

The "honor roll" follows:

Asa & Barbara Mori for set-up and serving

David & Julie Miller for transporting items from storage and grilling the sausages.

Kathy Weevie for providing her great devilled eggs, transporting the pots and pans she took home from the last picnic, washing them and bringing them to this event, setting up and cleaning up, and serving on the food line.

Loretta Casapulla for providing the stuffed salami appetizers

Felicia Scimo for providing the sliced apples appetizers, slicing the bread and serving on the food line.

Shelley DeWitt for serving.

Genie Hansen food ticket taker

Walt Soper for providing the guacamole and chips appetizer

Ken Harrison for cleanup and transport back to storage

Sue Reeves- Check-in

Lee Wood- Door prize ticket sales

As usual, the ladies provided a great assortment of desserts to top off the meal.

The door prizes, a new Shimano rod and a fishing lure went to Lee Wood and David McLintock respectively.

As a bonus in May, Don Frost arranged for a factory tour of the COUSINS TACKLE FACTORY in Huntington Beach. This was done on Thursday, 5/28/15, so a full report will be made in next month's fish tales newsletter.

Jimmy Eghaneyan will continue to take sign-ups for the PERSIAN FEST at the June 2ND general meeting. It is scheduled for Tuesday, June 9th at MLK Park and will cost a mere \$7/pp.

And Steve Geotas will continue to take sign-ups for the GREEK FEST at that same meeting. That picnic is scheduled for Thursday, July 23rd 2015 at MLK Park and will cost only \$5/pp.

So come out and show support for the OSA club by signing up, paying up in advance and showing up.

Picnic Updates

Having recently returned from an extended vacation trip, I thought that I should back up a month and review the Irish Fest, which took place at MLK on St. Patty's Day, March 17th.

I have it on good authority that the Millers, Dave & Julie, did an outstanding job with their CORN BEEF and CABBAGE meal and that Dave had to do double duty to fill in for Julie's illness during this event.

Congratulations and my personal thanks to you both for your time, efforts and resourcefulness. I have heard nothing but praise from all who attended.

The event for April, our annual PIG ROAST, occurred on Tuesday, 4/14/15, again at MLK Park. It was chaired by Rich Bruemmer who took the pig by the snout and downloaded a recipe for Texas roast pork from the Internet and decided to give it a try.

Oceanside Senior Anglers – Archived Social Events Reports

To say that it was simply fantastic would be a gross understatement! The 70+ people who partook of this feast all indicated that it was the best pulled pork sandwiches they had ever eaten. Rich and his lovely wife Cindy made everything from scratch including the Cole slaw, beans and potato salad. The leftovers were a complete sell-out.

My personal shout out to them for an outstanding job well done.

The "Honor Roll" for this event is:

Goods from Storage: Dave & Julie Miller

Set-up and Clean-up: Dave & Julie Miller, Barbara & Asa Mori, Kathy Weevie, Ken Harrison

Servers: Felicia Scimo, Shelley DeWitt, Kathy Weevie, Barbara Mori, Dave & Julie Miller

Meal Ticket Taker: Genie Hanson

Check-in: Sue Reeves

Door Prize Tickets: Lee Wood

Door Prize Winners: Dan Ontiveros, Hank Mabry & Kristi Davis

As always, the ladies provided a great assortment of desserts while Kathy Weevie did her ever popular devilled eggs and Loretta Casapulla did her well received stuffed salami appetizers. The delicious guacamole, chips and salsa were prepared and donated by Dan & Cookie Ontiveros

The May event will be our annual ITALIAN FESTA planned for Tuesday, 5/19/15. Rich Bruemmer will chair this one too and he plans to do it at MLK PARK also. The cost will be \$6/pp. He will again take sign-ups at the May 5 general meeting.

As a bonus in May, Don Frost has arranged for a factory tour of the COUSINS TACKLE FACTORY in Huntington Beach. This is planned for Thursday, 5/28/15, after the OSA has hosted the Cousins people as our guest speakers at our general meeting on May 5th.

We will probably car pool it up to this modern state-of-the art facility and do a no-host lunch at a local watering hole recommended by Cousins.

Jimmy Eghaneyan will also continue to take sign-ups for the PERSIAN FEST at the May meeting. It is scheduled for Tuesday, June 9th at MLK Park and will cost a mere \$7/pp.

And Steve Geotas will continue to take sign-ups for the GREEK FEST at the May meeting. That event is scheduled for Thursday, July 23rd 2015 at MLK Park and will cost only \$5/pp.

So come out and support your club by signing up, paying up and showing up.

Shrimp Boil Picnic is a Jumbo Success

2014 Annual OSA Shrimp Boil Picnic-MLK Park , Thursday, November 13TH

Under cloudy but calm, mild weather 85 members and guests enjoyed a fine meal, tasty appetizers and lots of friendly talk of summer fishing and next years plans. The menu included big wild-caught Mexican shrimp boiled to perfection as mild or spicy selections , rice with Cajun beans, fresh prepared coleslaw, dinner rolls and of course a great selection of member-provided desserts. The shrimp were deveined for easy peeling and were served with a spicy horseradish red sauce and lime wedges.

The threat of predicted rain may have caused a few to miss the event as we had 14 missing members partially compensated by a few arrivals that thought they had signed up and which we were able to accommodate.

Door prize winners were Barbara Mori and Manny Ontiveros.

Special thanks to the wonderful crowd of enthusiastic volunteers that helped setup, cook, check-in, serve and clean up:

Setup Team – Dave & Julie Miller, Kathie Weevie, Barbara and Asa Mori, Felicia Scimo

Cooking Team – Ray Wilkerson and Tony Johnson

Serving Team – Kathie Weevie, Nina Albert, Barbara Mori, Felicia Scimo, Paula

Johnson,Shelly DeWitt

Check-in & Door Prize Team – Sue Reeves, Lee Wood

Thanks also to all the members who always step up to help me with tasks that I inadvertently forget to plan for prior to, during and after the event.

Asa and Barbara Mori your coleslaw with Asian dressing was so fresh and tasty – every one wanted

to take the left overs home! Dave and Julie Miller thanks for staging the club inventory items and helping load and unload and clean up coolers and boil pots. Kathie Weevie thanks for after picnic clean up of utensils, pots and pans. Paula Johnson thanks for cooking and delivering the hot rice and Cajun beans.

Thank you members for signing-up and participating in our club events, without your attendance we would all miss out on the delight in sharing good times, good food and joy with each other.

Greek Picnic Turns Heads of Gods

The weather gods were smiling down upon us from Mount Olympus on Tuesday, September 30th, 2014 at MLK Park in Oceanside, CA.

Steve and Debbie Geotas and their nephew, Peter, served the assembled OSA members and guests their very delicious pastitsio (baked pasta) along with dolmades (stuffed grape leaves), green salad and homemade walnut cake moistened with Greek libations.

We once more had a significant number of “no-shows”, about 22% of the 61 folks who signed up, so there was a lot of food left over which either went to surplus sales or to the needy.

The “HONOR ROLL” for this event was:

Sue Reeves – check in

Vern McClelland- door prize drawing

Nina Albert- meal ticket collection

Kathy Weevie- devilled eggs, serving line

Loretta Casapulla- salami appetizers, serving line

Felicia Scimo- quartered oranges appetizers, set up

Barbara & Asa Mori- set up

Rudy Gonzalez- to & from storage

Lee Wood- ice

Again, anyone I forgot to mention was purely a sign of our status as seniors, so please forgive (and forget) my oversight.

My thanks to all those ladies who provided the diet, non-fattening, gluten and cholesterol- free but none-the-less delicious desserts.

The door prize was won by Dave Grimshaw.

Ron Casapulla - Social Director

Oh Mama Mia...What a Picnic!

8TH ANNUAL ITALIAN FESTA PICNIC

A picture perfect day for a picnic at Dixon Lake!

75 members and their guests paid \$5.00 each to enjoy the gorgeous lakeside view. All while dining on delicious Italian sausages served hot off the charcoal fire on freshly baked crusty “Italian” bread topped with grilled peppers and onions.

And with a generous side of freshly cooked 7-cheese rainbow tortellini pasta in seasoned pesto sauce. A fantastic meal for the price!!

And, as usual, the ladies, and at least one of the gentlemen, brought some great non-fattening and gluten-free desserts to top off the meal.

For various reasons, 23 were counted among the missing (no-shows) several of which had just returned from a day and a half trip pulling on tuna and yellowtail and were undoubtedly too tired to “tackle” the meal. Sorry you missed a good time but you did manage to avoid the extra calories and weight gain.

The ‘door prize’ was won by Beep Schaffer who had departed prior to the drawing so he’ll have to wait for the October meeting for his award.

My HONOR ROLL for the event is:

Rich Bruemmer- assistant event chairman & sausage caddy

Bob Porter- to & from OSA storage

Beep and Dee Schaffer- setup & cleanup

Oceanside Senior Anglers – Archived Social Events Reports

Vern McClelland- check-in (assisted by Dave Miller for sale of door prize tickets)

Kathy Weevie – setup, cleanup, devilled eggs, serving line

Felicia Scimo- bread slicer, sliced oranges.

Ron Parker- grill master

Wil Cozzens- grill master, pickup bread & ice

Loretta Casapulla- salami appetizers, setup, cleanup, serving line

And of course, my usual standing apology to anyone I may have inadvertently and unintentionally omitted. I was too busy at the time to take notes so this was done from memory, which as you probably know, can get away from you from time to time.

Picnic Chairman & Social Director - Ron Casapulla

Silent Auction Picnic a Roaring Success

The weatherpersons were kind to the OSA'ers who attended the silent auction/picnic at MLK Park in Oceanside on Wednesday, July 30, 2014.

Upwards of 80 members and guests each paid \$5 for the event and the combined take for the gate, the silent auction sales and the door prize sweetened the OSA general fund by about \$645.00. This will serve to augment funding for the wounded warrior and kids trips and any other expenses deemed necessary and worthy of the clubs support.

Congratulations to the team!

The food consisted of deli sandwiches freshly made at the event and served with generous scoops of potato salad and fresh fruit salad.

The "Honor Roll" for the day consisted of the following members:

Beep and Dee Schaffer for handling the silent auction

Rudy Gonzalez for handling the pickup and return of equipment and supplies from storage; also purchase of ice for drinks

Kathy Weevie for setup, sandwich making, serving, cleanup and, of course, donating her delicious devilled eggs.

Asa & Barbara Mori for table setup as well as assist in setting up the items for auction sale.

Felicia Scimo for setup, sandwich making, serving and cleanup.

Shelly DeWitt for sandwich making, serving and cleanup.

Dot Stupin for serving.

Nina Albert for sandwich handling and food ticket taker

Sue Reeves for gate check-in, door prize ticket sales and silent auction cashier.

Vern McClelland for assisting Sue on door prize ticket sales.

And of course, my lovely wife, Loretta , for food shopping, table setup, sandwich making, serving, fixing the potato salad and cutting all the fresh fruits for the fruit salad

AND WE CANNOT FORGET THE LADIES WHO BROUGHT ALL THE DELICIOUS DESSERTS AS WELL AS THE FOLKS WHO DONATED THE "STUFF" TO BE SOLD. THANKS TO YOU ALL FOR MAKING THIS A VERY SUCCESSFUL EVENT!!

As usual, my apologies in advance to anyone I may have inadvertently overlooked. Just chalk it up to the date on my birth certificate.
