City

I. Extracurricular Activities

1. List activities participated in during high school. Many roles may be performed within a volunteer activity, i.e. church: Sunday school teacher and president of youth group doesn't include community service. For each activity list years involved in high school, position and involvement, leadership skills acquired.

II. Community and Volunteer Service

List activities participated in during high school; only count hours you worked; number of hours/year worked on project. Unpaid hours; don't duplicate from previous category without explanation. For each activity list hours/year, position/involvement; leadership/skills acquired.

III. Activity

Awards, Honors and Recognition Description, years involved.

IV. Essay Prompt

Briefly describe your career aspirations and higher education goals. Please share your inspiration(s). Max word count: 700

Please attach:

- 1. A copy of USDI Indian Reservation Census Ledger Enrollment.
- 2. Three letters of recommendation
