

Our April 11th meeting was called to order at 1:00pm by Dan Eby.
The pledge of allegiance was led by Linda Eads.

Dondi Vesprini opened with a presentation of what the new insurance changes mean to us as riders if we are involved in an accident with a motor vehicle. He pressed the importance of getting SB1 amended to remedy the discriminatory section that threatens the medical coverage and financial well being of anyone that is unlucky enough to be involved in an accident with an under insured driver.

The freedom rally is approaching quickly! It's more important now than ever to make a stand and be heard! On Wednesday, June 2nd, please make your best efforts to gather all of the people that you can to attend this year. Big changes need to happen or we are all at risk!

Pizza and pop has been cancelled but there are going to be several opportunities to meet with your reps on the following legislative days in Lansing; May 12th, June 2nd, and Sept. 15th. Call your representative to make an appointment to speak with them on any of those days. Contact your local legislators to educate them on the new bill that is going to be presented to the house before the new bill number is dropped so that they are already familiar with it and know what it means to us.

Eric Eads discussed autonomous vehicles and recalled the recent incident of a self driving Tesla that struck a State patrol car while it was parked on the side of the road. Be on guard! There are more of them on the road now than you'd think.

Our annual poker run/campout is June 5th. We are still in need of more door prizes and side dishes for the dinner. If you have door prize items, please bring them to our May meeting on the 2nd.

The coast to coast ride is July 9th and 10th. Camping reservations are filling up fast! Contact Dan or Melissa if you'd like to reserve a ticket ASAP. \$40 per person includes; camping and admission at two parks, ride, and dinner at both locations.
Thank you Dondi for making it out to our meeting this month! I'll see you all next month at the Paw Paw Eagles! -Melissa (Kitty)
