Many Hands Make for a Light Load

Every now and then one of our Newsletter Delivery Angels is unable to deliver their route.

This is a rare occurrence. Our Newsletter Distributer is seeking volunteers willing to sub in, if the need arises.

The routes in our neighborhood are short and manageable. It's a great way to get a little exercise and see the neighborhood. If interested, please contact Jo Alvarez at 512 452-4588.

Up Standing Member of our Community

There are many people who contribute diligently to our neighborhood, Alicia Hathaway is one of them.

Alicia moved to Coronado Hills in 1971. In the formative years of the Neighborhood Association, she served as Custodian of Bank Funds, this was before the office of Treasurer was established. She has also held the office of Vice President and was President of the Neighborhood Association for 4 years after that.

She has worked consistently with Police and Code over the years and has proven herself amazing at getting results.

Her primary focus is Integrity of the Neighborhood. She has done analysis of the number of rental properties, written letters regarding abandoned and sloppy properties and kept Police and Code informed and working for us.

A few years ago she was recognized by the Police Department as a Denizen of the Neighborhood.

Her motto is :“ Keep At It!”

Thank you, Alicia Hathaway, for your many years and continued service!

Gas Line Construction Project Update

After five weeks of road closures of Glenhill and Barcelona streets and lane contractions for Coronado Hill Drive, it appears more construction activity has begun to be visible. Based on communication

received by Debra Sistrunk from Robert Tabor, the construction manager, more work has begun on the west end of Coronado Hills Drive. The project is still expected to continue through the end of the year.
