

JOSEPHITE PARISHES LASHED BY HURRICANE IDA NEED YOUR HELP

Josephite parishes and schools were hard hit by Hurricane Ida. Many were damaged by wind and rain and flooding. Some still haven't had power restored. Those who were evacuated are just now returning to the devastation.

As the recovery continues, parishes need **your financial assistance.**

Please consider making a [special donation](#) to **help get Josephite parishes operational.**

In times of need, we call on the patronage of St. Joseph to give us strength, guidance and encouragement. [We also need you!](#)

Thank you for your prayers and support.

Bishop John H. Ricard
Superior General
