

Second Vice President Report: June 7,2025

Cynthia Acosta

I want to thank all of you for donating such beautiful baskets, for the Silent auction/Raffle, and very unique ugly bags.

We took in a total of \$9138.70. And had 33 Silent auction baskets, 37 Raffle baskets, 20 Ugly Purse. We also had a very beautiful quilt, that was among the raffle items. I did not arrange to keep the money separate to keep track to what we made on the Quilt.

I also could not have done this without the help of each and every one that assisted me in this event.

Also, ladies, I live in a condo and my mailbox is in a mailroom at the condo. I did not check my mail the week of the convention. When I did check my mail after the convention, I had received, Complimentary One Round of Golf CasaBlanca or Palms Course and Complimentary Room for one Night at CasaBlanca Resort. I made President Annette Presley aware, she is going to address the board to make a discission as to how we can raffle this, and we will let you know what the discission is.

I am open to any suggestions for next year.
