SUNRIVER RULES AND REGULATIONS

In the exercise of its powers and in the performance of its obligations pursuant to the Consolidated Plan of Sunriver (the "Consolidated Plan") and of any Sunriver Declaration, the Board of Directors ("Board") of Sunriver Owners Association ("SROA"), on behalf of the Association, has adopted the following Rules and Regulations.

In conformance with and to the extent required or allowed by all or any of the Declarations, the Design Committee hereby consents to the terms of the Rules and authorizes the SROA departments entitled the "Community Development Department" and "Natural Resources Department" (as such departments may be renamed or redesignated from time to time) as the representatives of the Design Committee, to grant permits and approvals as described herein. Such authorization may be revoked or limited by official action of the Design Committee and/or Board of Directors. A copy of these Rules shall be made available upon request by any person at SROA's administrative office.

SECTION 1 RULES; PROCEDURE AND ENFORCEMENT

1.01 Dissemination of Rules

- A. The Board may appoint an individual to serve as a magistrate for SROA (hereinafter referred to as the "Magistrate"). The Magistrate shall serve at the pleasure of the Board with a term that may be terminated at any time, with or without cause.

- B. The Magistrate shall be the Board's delegated representative with the authority to act as a hearing officer to enforce the Consolidated Plan, Declarations, Design Committee Manual of Rules and Procedures and these Rules (for purposes of this Section 1.01 only, a "Rule" or collectively the "Rules") through imposition and collection of fines and penalties. The Magistrate's primary role shall be to determine whether a violation of these Rules has occurred as a factual matter and to apply the appropriate fine based on the Magistrate's finding. The Magistrate may consider mitigating circumstances when imposing fines but shall not have the authority to declare a Rule unenforceable as a matter of law. In other words, a Magistrate does not have a judicial power to evaluate whether a Rule is consistent with the Consolidated Plan or the law generally. The power to interpret the Consolidated Plan is expressly reserved to the Board. The Magistrate shall have no authority to file liens or institute legal proceedings on behalf of SROA.

- C. The Magistrate shall decide on Rule violations in an impartial and uniform manner at initial or special hearings as provided in Section 1.02 at times mutually agreed upon by the Magistrate and the Board.

- D. The Magistrate reports directly to the Board. The Magistrate shall maintain a record of all evidence submitted for each rule violation brought before the Magistrate during special hearings and as reasonably necessary at initial hearings. Upon the conclusion of such hearings, the Magistrate shall deliver all such record and evidence to the Board, or its designee.
- E. The Magistrate may make recommendations or propose changes to the Rules by notice to the Community Development Department and/or the Board but shall have no power to unilaterally change or otherwise amend the Rules.

1.02 Notice: Magistrate’s Hearing; Appeals

- A. All person’s subject to a fine for violation of (i) one or more SROA Rules and Regulations or one or more Design Committee Rules (collectively Rule or Rules); or (ii) a provision of the Consolidated Plan or a Sunriver Declaration (collectively Provision or Provisions) shall be given written notice of the violation and proposed assessment of fine. The Association’s General Manager, or his delegate, and any member of the Sunriver Police Department may issue notice of violation of any Rule or Provision.
- B. A form of the notice of violation shall be used which has been approved by the Board. The notice of violation shall include the date and place of the alleged violation, the Rule or Provision alleged violated, the amount of the Scheduled Fine, the date the notice is issued and the date, time and place for a hearing before the Sunriver Magistrate. The notice of violation shall advise the recipient of the following options:

Option No. 1. The recipient may acknowledge the violation and satisfy responsibility for the violation by paying one-half the Scheduled Fine prior to the time set for the hearing before the Magistrate. There is no appeal from Option No. 1 once payment is made.

Option No. 2. The recipient may appear in person or by counsel at the hearing, and either (a) request to contest the violation as provided in Option No. 4 below; or (b) acknowledge the violation and consent to the Magistrate’s decision based upon the report of the person issuing the citation. If the recipient decides to contest the violation under Option No. 4, the Magistrate shall schedule a special hearing as provided in Option No. 4 below. If the recipient acknowledges the violation, then the hearing will proceed. The recipient may not present witnesses, dispute facts in the report or question the person who issued the citation, but the recipient may present an explanation of mitigating circumstances. Other written statements from witnesses will be accepted and considered by the Magistrate. There is no appeal from the Magistrate’s decision under Option No. 2.

Option No. 3. The recipient may mail, in time to reach the Magistrate prior to the time set for hearing as shown in the notice of violation, (a) the full amount of the Scheduled Fine, (b) a written explanation of any mitigating circumstances related to the violation, (c) a waiver of the right to be heard and (d) a consent to the Magistrate's decision based upon the explanation of the person issuing the citation. The Magistrate may cause all or part of the amount tendered to be forfeited in payment of the fine assessed but will return any amount tendered which is in excess of the fine assessed. There is no appeal from the Magistrate's decision under Option No. 3.

Option No. 4. The recipient may contest the violation by submitting a written request for a special hearing to be held at a different time than the regular hearing. The request must reach the Magistrate prior to the time set for hearing. The request shall include agreement to appear, either personally or by counsel, to arrange for any supporting witnesses and shall acknowledge that failure to appear as agreed may result in the assessment of an additional fine not to exceed \$500, in addition to the full amount of the Scheduled Fine. The Magistrate shall require the person issuing the citation and other relevant SROA and Sunriver Service District employees to be present at the special hearing and shall give the recipient written notice of the date, time, and place for the special hearing. In lieu of personal appearance, a special hearing based upon written statements may be requested.

C. If the recipient fails to respond or appear as per any of the four options above, the violation shall be deemed admitted and the Magistrate may impose a fine, which is not subject to appeal.

D. After any regular or special hearing, the Magistrate will determine whether a fine should be imposed, will determine the amount of any fine and will notify the recipient of the determination.

E. All appeals of fines imposed by the Magistrate which are subject to appeal shall be decided by the Sunriver Judicial Council. Any person against whom a fine has been imposed under Section 1.02 B. (Option No. 4) who deems that such a fine was unfairly imposed, either because the person believes he/she did not violate any Rule or Provision as charged or because the fine imposed is unduly severe, may appeal from the imposition of the fine by filing a statement to that effect with the Sunriver Judicial Council within 30 days after notice of the fine has been issued. All appeal requests shall be sent to the Judicial Council in care of SROA. The Judicial Council shall schedule a hearing within 90 days from receipt of the statement of appeal and shall notify the appellant in writing at least 10 days prior to the date of the hearing. The collection of the fine shall be stayed pending a decision on appeal.

- F. For violations of the Rules that are continuing or ongoing, the Magistrate or other enforcement personnel of SROA may impose a fine for ongoing violation for so long as the violation continues. For example, an owner who refuses to remove a sign not in compliance with the Design Committee Manual commits a Class C offense. The Magistrate or other enforcement personnel of SROA may impose a fine for such offense which renews each month until the sign is removed without the need for a new citation or hearing each month.

1.03 Sunriver Judicial Council

- A. The Sunriver Judicial Council shall consist of not less than three persons who shall be appointed by the Board. At least two members of the council shall be members of SROA; provided however, that no person shall serve as a member of the Judicial Council while serving as a member of the Board. The Board shall keep on file at its principal office a list of the names and addresses of the members of the Sunriver Judicial Council. The Judicial Council shall elect one of its members to preside at the hearings.
- B. All hearings held with respect to the appeal of a violation of any Rule or Provision, or fine shall be conducted pursuant to Section 6.07 of the Consolidated Plan. Hearings before the Judicial Council shall be conducted in accordance with such rules of procedure as the Council may adopt from time to time. The chair of the Judicial Council shall preside if present. If not, another member of the Judicial Council shall be selected by the number present to preside. The appellant may appear, either in person, by counsel or by other representative designated in writing, and may examine and cross-examine witnesses, introduce evidence and present oral argument. The appellant may elect to submit his argument based solely on written statement without appearing in person, by counsel or other representative. The Council shall base its decision upon evidence in the record and presented at the appeal hearing and render its decision in writing within ten (10) days of the conclusion of the hearing. Copies of the decision shall be mailed or delivered to the person charged with the violation and to the Magistrate. The decision shall be final and binding on all parties to the appeal.
- C. A fine in the amount not to exceed \$500 may be imposed against any person who, without notice, fails to appear at a hearing on appeal before the Judicial Council.

1.04 Enforcement

- A.** The Board or its authorized delegate may impose and enforce fines as provided in these Rules, institute legal proceedings to enjoin further violation of the Rules and Provisions and take any such further action as may be provided in the Consolidated Plan or as may be necessary or appropriate to enforce compliance with the Rules and Provisions.
- B.** All fines shall become due and payable ten (10) days after the date the notice of fine is issued by the Magistrate. If within thirty (30) days after the notice of fine is issued the fine is not paid and no statement of appeal has been filed, the Board or its authorized delegate is authorized to file a lien against the Sunriver property owned or occupied by the person having violated any Rule or Provision.
- C.** Any fine imposed for a violation of any Rule or Provision shall be considered both a personal obligation and an assessment against the Sunriver unit owned or occupied by the person in violation of the Rules or Provisions and may be collected in the manner provided for in the Consolidated Plan.
- D.** In addition to any fine or penalty prescribed by these Rules, a person who violates any Rule or Provision shall be liable to the Association for civil damages arising out of the violation and shall be subject to any other remedy available to the Association at law or in equity.
