

All Aboard the Kinderprep Magic School Bus: Adventure Camp

Welcome to Kinderprep's Adventure Camp. Join the fun as the Kinderprep Magic School Bus sets out on a summer full of adventures! Each week's theme revolves around one of the many Magic School Bus books by Joanna Cole.

This camp is for children who are headed to Kindergarten in the fall or those children who have completed Kindergarten and are going into 1st grade. Summer camp will run for 8 weeks. Camp hours are 9a.m.-3p.m. Your child is welcome to come as early as 7:00a.m. and stay as late as 6:00p.m. Registration is for 5 days, and enrollment is for the full 8-week session.

Fun Fridays are for all campers enrolled in the adventure camp. Fun Fridays will allow our oldest campers to enjoy our Kinderprep summer theme as well as gain independence as they experience a different Friday adventure. All field trips are local and within walking distance. This camp experience is a great introduction to camp trips. All campers will learn the importance of staying with the group, following directions outside a classroom environment, safety when walking into town, manners, and appropriate behavior in different public locations. These are important skills to have as the campers get older and attend larger camp programs in the future. The cost will be same as our monthly preschool tuition fee. There is also an additional \$250.00 fee for the local walking field trips.

Tuition:

Your son/daughter must be registered to hold a spot. Space is on a first come basis until camp is full. Tuition deposit is 50% of balance upon registration with the added field trip fee and the remaining tuition balance is due no later than June 1st to attend camp.

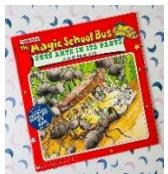

**Should you decide not to attend after registering all monies are non-refundable,
NO EXCEPTIONS WILL BE MADE.**

Each daily theme is incorporated into the day's lessons. Arts and Crafts, Nature Studies, Water Time, Reading Adventures, and plenty of outside time are some of the activities your child will enjoy. Our child-friendly playground area will be transformed into outside classrooms. Most of your child's learning experiences will take place outside. We will take breaks from the heat in our air-conditioned school with additional learning experiences. Each week ends with our adventure walking trip within our beautiful town.
