Virginia Insurance Licensing Examinations

In response to the rapidly evolving situation around the coronavirus (COVID-19), Virginia insurance licensing examination test center closures are being evaluated on a case-by-case basis.

Starting **Tuesday, March 17**, Pearson VUE is suspending test delivery at all U.S. and Canada-based Pearson VUE-owned test centers for 30 days until April 16. Some third-party test sites remain open. Affected licensing candidates will be provided instructions for scheduling new appointments on or after April 16, 2020.

All test center closures will be posted on Pearson VUE's website at [Coronavirus Update Page](#) as closure decisions are made.

We apologize for any inconvenience caused.
