ORBIT FC SPONSORSHIP INFORMATION

Thank you for considering an Orbit Futbol Club sponsorship!

Orbit FC's primary purpose is to provide a challenging and fun soccer experience for children in and around Lawrence County. We provide organizational support and guidance for players, coaches and volunteers, a safe playing environment, and fair and challenging competition. We promote the values of fair play and good sportsmanship as well as team and individual development and achievement. We continue to see growth in our club because we are committed to providing an excellent program for our players – something that we could not do without the assistance of community partners that are willing to invest in youth sports here in Lawrence County. Our sponsors have enabled us to:

- Develop players at all levels of play from Tots (ages 2–3) through U19 (High School) by building and improving their skills, confidence, fitness, initiative, and sense of teamwork.
- Expand programming available to players beyond annual Spring/Fall soccer seasons, with the inclusion of soccer camps and specialized skills training.
- Provide need-based scholarships to players who would otherwise be unable to participate in rec soccer.

Orbit FC is Lawrence County's largest youth organization. In the past year, our club has served the needs of over 500 players, representing hundreds of families in our community. We take an active part in promoting our sponsors to our membership and the broader community. Our Facebook page has close to 2,500 followers and our website receives approximately 20,000 visitors each year, on average. We communicate frequently with our members through email, text, and social media – including promoting sponsor activities, promotions, and expressions of gratitude. Sponsors choosing higher levels of giving are rewarded with maximum exposure via our website, social media, yard signs both around the community and at games, and their business name and logos on our team jerseys.

The costs associated with providing the highest quality soccer programming to Lawrence County youth cannot be met with our registration fees and fundraising efforts alone. We rely heavily on our community partners to help us meet and exceed the expectations of our players who are learning to love the game at Orbit Futbol Club.

For more information, or other possible sponsorship opportunities, please contact Orbit Futbol Club at sponsororbitfc@gmail.com or (812) 709-2587.

Thank you!
