

Address and Directions: The Hawaii SPCA - Address: 87-120 Kaukamana Road.

**DO NOT GPS** it will not work, please follow these Directions:

Take H1 West to where it turns into Farrington Hwy and keep going into Maili.

Turn right on St. Johns Rd. It will end at a private property. You can only go left at this point. This is Kaukamana Rd.

Turn left and go approximately 3 farm Lots or 8 to 9 regular blocks. On the left you will see an old horse pasture with a two story yellow house with brown trim in a fenced yard. This is the building we have converted into our center. The neighbors and land owners have been working hard to clear the land surrounding us, and across from us, of junk and abandoned vehicles so please do not be alarmed at appearance of our humble country ranch. The area is changing for the better :-). We are very pleased!
