

# 10 COOL BEHAVIOURS TO CAPTURE DURING I SPY

'I Spy' is an easy game to play with the whole family. Simply make a list of the behaviours your dog does that you all love and start rewarding them when your dog does them. The more you reward him for the good stuff, the he/she will do those behaviours leaving little room for the 'bad' stuff. Afterall, there are only so many hours in a day!

- 1 Sitting.
- 2 Laying down.
- 3 Looking at you.
- 4 Being calm when the doorbell rings.
- 5 Playing with a toy.
- 6 Staying away from the table while you are eating.
- 7 Being calm in the yard.
- 8 Loose leash walking.
- 9 Ignoring whatever you just dropped on the floor.
- 10 Being calm while the kids are running around like wild hooligans.
