

## *WINTER IS COMING!*

*Season's Greetings! Everyone here at Williams Renovation & Building Co. want to thank all of our customers and friends for entrusting us with their home projects in 2023. We wish you, your family and all of our friends a very Merry Christmas and Happy New Year! Be safe, love one another and may God continue to bless you.*

Winter is fast approaching.... you may need some quick repairs keeping out the cold air around those doors or windows? Maybe it's time to get that furnace checked or replaced to keep everyone warm this Winter? Please call me anytime if you need assistance with last minute home repairs before the holidays. I have the best mechanical contractors in D/FW to help you with any plumbing - electrical or HVAC concerns... only a phone call away. Please call 214-325-3046 anytime.

I anticipate 2024 to be another good year for the home/building industry and for remodeling to existing homes. Take care and I'll see you in '24.

*Burton Williams*
