

PAINT SITE PLAN

SITE ADDRESS: _____ LOT: _____ BLOCK _____

All color combinations used for homes must be approved by the Environmental Committee. A paint site plan is not required if the house is being repainted in the same colors. (#207 of April 2016 Rules & Regulations)

All requests for painting **must** have an **attached** paint chip for approval.

Application is hereby being made for approval for the following paint colors:

<u>Area to be painted</u>	<u>Color</u>
Roof Color (needed for all approved paint color)	_____
Body of House	_____
Trim on House	_____
Front / Side Doors	_____
Garage Door	_____
Driveway (if to be painted)	_____

All paint requests will be approved / denied within 14 days. Approved requests must be started within **30 days** of approval and completed within **90 days**.

Use of this site plan gives the Environmental Committee permission to enter the property before approval is granted and after completion.

OWNER / RESIDENT: Please notify the office when work is completed for final inspection.
