# PRESTONWOOD POLO & COUNTRY CLUB

OAK POINT, TEXAS

[www.PrestonwoodPolo.com](http://www.PrestonwoodPolo.com)

Welcome to our 2011 Prestonwood Polo magazine, last year was our best ever and we're looking forward to many more thanks to your support. We have so many people to thank, first, all our polo friends, without you, we wouldn't be here, second, all our wonderful new fans that came out to polo this year, we're so glad you fell in love with the greatest sport in the world as we have. We are dedicated to making your polo experience better and better each time you visit. As a family owned and operated club our goal is make polo accessible to everyone in North Texas.

Our Spring season opens Saturday April 30 and will go thru July 9, which is our kids exhibition finale, be sure and sign-up your kids for our new polo school so they can play in the finale! The fall season will start September 3 and go thru November 12 and each season we will continue to have two major charity events:

- Spring* Polo on the Lawn, May 7
- Polo for the Planet, June 4
- Fall* WCT Women's Tournament, Oct 8
- Polo on the Midway, Oct 29

Our Saturday nite polo format will be the same this year with 8 chukkers of polo separated by the crowd favorite champagne divot-stomp. Each year we add new improvements to the club and this year is no exception, we are excited to announce the proposed addition of 24 exclusive new home lots surrounding the polo club. You can now own a piece of Prestonwood Polo & Country Club and enjoy the breathtaking view of polo in your backyard everyday. Please visit our website for the latest info and news about the club and our exciting new development.

If you like golf or tennis please take an opportunity to visit Prestonwood Country Club's Plano or Dallas locations and check out the world class facilities. The Plano location or "Hills Course" is at 6600 Columbine Way in west Plano, it was built in 1988 and has an 18-hole championship golf course, swimming pool, clubhouse and restaurant. The Dallas location or "Creek Course" at 15909 Preston Road is the original location, built in 1968 and has world-class dining in the Main Dining Room and a Casual or "Mixed" Grill. It also has a piano bar, meeting rooms, swimming pool, 10 tennis courts and an 18-hole championship golf course. The wonderful staff and friendly membership would love to see you.

The saying is true...life is good at Prestonwood!

*Sincerely,*

Vaughn and Dena Miller
