Dear Millbrae Community Foundation,

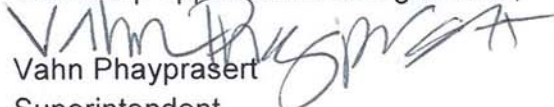

On behalf of our Board of Trustees and Taylor Administration, I wanted to thank you for your generous contribution and announce completion of our Time Capsule Project in celebration and honoring of Taylor Middle School's 75th Anniversary.

Your donation of \$350 supported our efforts in holding historical records and objects representing the current culture of Taylor Middle School for preservation until discovery at a future time period. We are honored to celebrate Taylor Middle School and its history of success. Your generous donation will live in history as we celebrate this monumental anniversary.
