Old Business: - none

New Business:

- Grant Stevens suggested that information be sent to new members (all members) regarding pace of play, HGC rules, ground under repair etc. The playing group will decide what is ground under repair, point of entry into hazards, etc. Also, regarding the skills competition, each group that finishes is supposed to have one player assume the task of tending to the competition. Maybe use markers to record who is leading? No motion was made, but all good suggestions for consideration and future implementation by the Club.

Next meeting Mar 20 at Jimy Mac's 7:00 PM – get there earlier if you want to have dinner.

Meeting adjourned.
