Let Experience be Your Guide

RADIOLOGY TECHNOLOGIST - DIAGNOSTIC RADIOLOGY – EUREKA, CALIFORNIA

WEBCO HR, Inc. is seeking a Radiology Technician in the Diagnostic Radiology Department for one of our clients located in Eureka, California.

RESPONSIBILITIES:

Under the direction of the Department Director, supervision of the Radiology Supervisor, and in collaboration with the radiologists, performs advanced technical diagnostic imaging procedures and related activities utilizing age-specific criteria according to department standards. Serves as a customer service representative to patients, their families, the public, and the medical staff. Participates in quality control and organizational improvement activities. Is a technical and clinical role model for less experienced radiologic technologists in the department. Participates in call schedule to meet staffing needs of the department. Travels to and from off-campus locations to perform radiographic or fluoroscopic procedures when requested.

REQUIREMENTS:

- Graduate of a program in radiologic technology approved by the Committee on Allied Health Education & Accreditation of the American Medical Association.
- California Radiologic Technologist upon hire.
- National Provider BLS - American Heart Association upon hire.
- National Certification from American Registry of Radiologic Technologists upon hire.

Preferred Qualifications:

- Experience as a hospital-based radiographer.

COMPENSATION:

- \$86,355 to \$108,388 Annually.
- Full Benefits.

THE COMPANY:

Excellence is one of the five foundational values of our client's organization. They expect accountability for excellence in performance and for adherence to professional and organizational standards. Many of the rigorous standards they abide by were created by their health care system. Additional standards are required by county, state and national organizations.

Their employees are the most valuable assets in assuring the provision of the highest quality health care. They, together with volunteers, donors and community partners, help continue to fulfill their vision.
