DESCRIPTION: This is a nice refinished Stemmler Jaguar all-purpose recurve bow. Comfortable grip; stabilizer bushing. Genuine cow hair shelf rest and side plate. White face limbs, black back limbs. Refinished to like-new condition. Bow has no delamination; no cracks; limbs are straight. Overlays and tips are in great condition. No drilled holes; No chips, dings or cracks. No crazing or stress cracks; Decals are a reproduction. Overall, this is a really nice bow in excellent condition for its age. I have recently shot this bow, and it is a good shooter.
