**Integrated English Language and Civics Education Programs
(Funded for Fiscal Year 2018-2019)**

These programs provide English Language Learners with increased English Language Proficiency, Work Readiness skills, Civics/Citizenship skills while also learning specific skills within a particular occupation or career cluster. The goal of these programs is to increase employment and career building opportunities in occupations with career ladders leading to family sustaining wages for English Language Learners. Participants must meet specific criteria for enrollment. Please call the program for more information.
