

*Do not go where the path may lead;  
Go instead where there is no path and leave a trail*

- R. W. Emerson

### Vision Statement

Emerson Academy is the Bilingual Montessori and Private French Immersion Elementary School where your child's bright future is created by design today. Governed by authentic Montessori Methodology and influenced by the works of renowned philosopher Ralph Waldo Emerson, our school is where character is cultivated, leadership skills are instilled, and achievement becomes innate.

Emerson Academy offers your child the best of both worlds - delivering an exceptional curriculum in a family-friendly environment where students are immersed in both of Canada's official languages: English and French.

### Mission Statement

Opening its doors in 2016, Emerson Academy will be the first fully bilingual Montessori and Private French Immersion Elementary School in Durham. In small classrooms never exceeding sixteen students, we will nurture and support each child holistically, at their own pace, and based on their own needs and untapped potential.

From 18-month-old toddlers to preschool children and in early elementary, students in every age group at Emerson Academy will benefit from an enriched Montessori and French Immersion curriculum that includes:

- **Daily character education**
- **Daily physical education via a robust health, wellness and sports program**
- **Weekly culture, community, science, technology, music and art classes**
- **The opportunity to participate in diverse extra-curricular activities that further develop a child's development, talents and personal interests**
