*'People should not be afraid of their Governments. Governments should be afraid of their People.'* – *V For Vendetta*

In 'honor' or really, it should be in dishonor of the FDA approving the Pfizer Kill Shot on Monday, August 23, 2021, in the USA, a Parody Poster commemorates this Reality mirroring Fantasy. Or was it Predictive Programming all this time? Would a Government knowingly infect its Population with a Poisonous Killer Pathogen? Yes. The Poster is a Parody of the V for Vendetta Poster. So, now 'V for Vaccine', the COVID-19 Injection. They are not a 'vaccine'. Did the movie predict the COVID Word Order that Humanity has woken up to? Yes. If only all Followers of Jesus were awakened to this Agenda that has been unleashed against a cowering Sheeple. Case in point, see Canada, the UK, Australia.

New Zealand, with just 1 person coming down with the Flu, that is Corona Virus was enough cause to have the entire Nation go on Lockdown again. As Corona Viruses are from the family of the Influenza, no amount of 'Vaccines' will totally eradicate these Germs from Planet Earth. In order to rid the Planet of all such Germs and other Bacteria, one has to sterilize the entire Planet. It is impossible and in fact, Bacteria is essential for life. One's Natural Immune System practices getting stronger and smarter by being exposed to microbes and viruses, etc. Sure, one should have great hygiene and as the saying goes, 'Cleanliness is next to Godliness'.

There were Dietary and Sanitary Law the YHVH gave to the Israelites that kept them healthy, etc. But they Quarantined the 'Sick People', not the Healthy. Seems Modern Science or is it really Politics has made it so that through 'Neo-Science', the Quarantining of the Healthy is a far better Health Policy. Or is it really a Political Policy. V for Vendetta would think so. As the movie, V for Vendetta exemplifies, the World is run by Sociopaths, Pedophiles, Criminal that feed on Fear of an ignorant Populace.

Such self-appointed Rulers have sold their Souls to Lucifer in exchange for a bowl of Temporal Power Soup. Consider the following, about this Afghanistan 9-11 episode unraveling the USA and the Biden Administration; although he is not personally administrating anything. As mentioned in prior studies and observations, that it was back in 1997 that the Taliban had rolled-in to Kabul, etc. It was 24 years ago. This means that a Baby Boy or Girl born that year is now 24 years old. These are the ones and types that make-up the largest percentage taking the COVID-19 Shots and welcoming them. In the past year, in one's interaction with such a Population base, about 95% of them all have been eager to take the V for Vaccine COVID-19 Injection.

## **The Zombie Generation**

They have no clue that in fact, the Injections are Experimental, needing Informed Consent. Nor are they aware that they are willing Volunteers, Rab Rats for the Corporate Vaccine Manufacturers, without any compensation or redress if harmed or killed. In one particular case, at the University Advising level and 'Zooming' with over 200 Students, one took an Informal Survey over the past Academic Year. This is from September 2020 to the end of May 2021. Out of the approximate 200 Students advised, one would ask if it was ok to be asked if they were going to get the COVID-19 Injection or if they had gotten the COVID-19 Shot. Only 2 Students out of 200 asked said they would be refusing it.

Mind you, this was in late 2020 and early 2021 when the University System had not had the Mandatory Injection Requirement for COVID-19 in place nor communicated that it would be Mandated. In fact, the language was that as soon as at least 1 COVID-19 Shot would be 'Fully Approved' by the FDA, then that the University would be Mandating it. Then come to find out that in mid-July, the Cal State University Chancellor opted to Mandate the COVID-19 Injections anyway; not even waiting for any Full Approval by the FDA. And this for an Injection that was, as of August 23, 2021, still Experimental.

This goes contrary to the Nuremberg Code in how no Government or Ruling Authority can mandate and/or force a Human Being to take into one's Body a Medical Experiment that will harm and/or kill that person. This is despite any possible Medical Benefits the Research and Experimentation might have given to Humanity. Such Immoral Scientific Research was banned and Doctors and Scientists hung for their Crimes Against Humanity after World War 2. Fast forward to 2021, the Governments and Ruling Authorities are excusing this inconvenience and pushing these Poison Death Shots, as Dr. Zelenko calls them. He actually stated that, 'We are in World War 3 now.'

Students going into Universities are already predisposed to a System that requires 'vaccinations' to attend and/or enroll. However, most do not know that the COVID-19 Injections are not 'vaccines'. They do not prevent Infection. They do not prevent Transmission. And they do not provide any lasting nor effective Immunity. Case in point are the endless mandated 'Booster' Shots that will be necessary from here on out. And these Boosters will not need to go through the Trials now that the Pfizer Shot has been Fully Approved. And this based on the FDA receiving the Data Reports from Pfizer that was conducted by only paid Pfizer Scientists with no Public nor Government oversight or verification? The FDA is just going to take Pfizer's word? Yes.

Students do not know that there are Medical and Religious Exemption that can exclude them from such Experimentation and exposures to the dangers of unknown Adverse Effects, etc. So, the day has come that the Government can now say, 'The COVID-19 Shots are not Experimental anymore. Now, you have to take them'. No, you do not. But that is fine with the 24 year old's now. They, for the most part are the 'Woke' Crowd and those that in the recent national survey in the USA, said they would 'Love to live under Socialism'. Such are the ones that are now graduating from College/University.

## **Plandemic Déjà Vu**

This 24-year old Generation is starting out their life...but starting to find out how challenging it is. But thanks to the Lockdowns and Check Bribes, they actually make more money not working. Such are the ones that want, thus a Universal Income and have no problem wearing a Mask for the rest of their lives. In looking at one's Poster List in making the V for Vaccine Parody Poster, one came across a Poster done in 2010 when the Obama Care Legislation was introduced and written-up by Big Pharma for Big Pharma. It was when the WHO, the CDC and the FDA colluded to release the H1N1 Virus and wanted all of the USA to take the Injection. The People did not buy it then.

There was no Luciferian Spell, or an induced Mass Psychosis. The Mass Media and the Social Medial Platforms were not yet totally taken over. It did serve as a 'Trial Run' and many lessons were learned to the point that they now had perfected the execution of their Diabolical and Eugenics Plan for Worldwide Genocide. It has been a run-up of their Patented Virus that has now been perfected. They had the Bird Flu, Swine Flu, SARS CoV-1, MERS, Ebola, Zika, H1N1. And there will be more. And do not forget the 'Variants' that are more 'Dangerous'. This is false as it is scientifically impossible for a Variant of a specific Virus to be more potent than the original.

The H1N1 'Pandemic' under Obama had to be called off by the WHO. But over 230 People lost their lives to the Injections or suffered permanent types of damage to their bodies. However, what was peculiar is the timing. It happened to be March that the Obama Care Legislation was passed, exactly around the same time that the Emergency was declared for the COVID-19 Virus that was released. The slogan of that Poster commemorating the Parody of the Obama 'Communist' Care was, 'Take Your Shot And Die'. One did not know how prophetic that statement would have become a reality now, as in V for Vendetta exemplified how the Government in the movie was depicted.

The Scripture in the Bible that has resonated against this Luciferian Spell that has induced this Mass Psychosis is that 'ALL Authority and Power' has been given to Jesus. He proclaimed it and enacted it presently since His Resurrection. And that He transcribed that same Power and Authority to His Followers and to the Church Body as a functioning Government on Planet Earth. In fact, it is the Highest Authority on Earth presently. Most Church Congregation and Blind Pastors do not realize this. They either forfeit it or are in league with the World, etc. So, realize what the Church Body possesses. The Enemy knows this too.

This Power and Authority of the Church is above any City, Municipality, Sate, Provence, Territory, Federal Government or United Nation 'Power and/or Authority'. Every Follower of Jesus has this Power and Authority bestowed by Jesus. It is indwelt, fused by the Holy Spirit that is Sealed with one's Being and very Essence. And for the Church Body on Planet Earth presently, until the Church Age ends, when especially such 'Authorities' and 'Powers' of this corrupt and sick World seek to force any Medical Treatment, Device or to inject something, or to take into one's Body that one has a Conscientious Objection to, a Follower of Jesus, and the Church Body of Jesus Christ has the Inalienable Rights to resist and decline such tyranny.

## **Obey**

This means that one's Rights as Humans do not come from, nor are they granted, nor can they be taken away from any Human form of Government. Again, one is not arguing, not to follow Lawful Orders, Laws and the like that have a generally accepted benefit to Society and Government. Such an example would be like the Traffic Lights places for everyone's safety. Yet, even within this constitution, there are exemptions. For example, a Funeral Procession does not need to obey this Traffic Laws. Neither do Emergency Vehicles, etc. What one is arguing is Unlawful Laws that go contrary to one's Conscience and contrary to the Bible and what Jesus' Commandments dictate. These are above all, to not harm oneself or others.

And if these COVID-19 Injections have that factor of possibly causing Death, which they do and are all derived from Aborted Baby Cell Lines, then one is obligated to refuse such Mandates as being Immoral and un-Biblical, going contrary to one's Religious Convictions, Beliefs and Practice, etc. Case in point was in in the book of Acts when the Disciples were 'Mandated' to stop Preaching the Gospel after the Death, Burial and Resurrection of Jesus. They did not stop Publicly Preaching as the Law of Christ was and is higher than the Law of the Sanhedrin, etc. Yes, Romans 13 prescribes all Followers of Jesus to be 'Good Citizens' of any Nation on Earth, but one is ultimately a Citizen of Heaven and lives before a Monarch, a King, a LORD that is Jesus, whom one will have to give account one day.

A Follower of Jesus is not accountable to any Earthly LORD, King, Magistrate, Public Authority on Earth, in a general sense of being 'Accountable'. And this is especially true if one 'Follows the Law' and is Law Abiding as everyone should be. But the Bible is clear that when a human Government or Authority cause a Believer and Follower of Jesus to be hurt or hurt someone else by a required Mandate, that is Sin. Or if one has a Conscious Objection as to eating Meat and making other 'stumble' as a result of one's actions, it is Sin. The point is that as many Earthly Governments are 'Lawfully' Mandating the COVID-19 Injections, those that see and understand what is in the COVID-19 Injections that will be the possible cause of Physical Death, but later on, the Mark of the Beast that will result in one's Spiritual Death, then one's obligation and duty to Jesus, as one's Commander and ultimate Judge is to Disobey such an earthly Law and/or Mandate.

Just be willing to live and accept the consequences, whatever they may be. The Apostles of Jesus suffered the consequences and they were essentially tortured. The 3 Friends of Daniel were thrown alive into the Furnace of King Nebuchadnezzar for not obeying a 'Lawful Order' to worship and bow down to an Image when instructed to do so. It is when Followers and Believers of Jesus 'Fear' and Revere this King, the Redeemer more than the pity Luciferian Despots controlling Human Government will realize, like in V for Vendetta that, 'It is the Governments that need to Fear the People. It is not the People that needs to Fear their Government'. Say no to the COVID-19 Poison Death Shot. Do not commit Suicide with them by your own hands. Resist.
