August 2012 President's Message

Well August is here. The season is going into the second half. If you are lucky, you have been out fishing. The swap meet was a success, especially for Lynn. I hope you saw or got something you were looking for. Still looking for those articles and pictures to let everyone know what you are doing.

Hope you have time to fish and more important, take someone fishing. Introduce someone to the sport. As I state several times a year, VOLUNTEER. Help move the sport forward and in doing so keep fishing alive and vibrant in California. If we do not support fishing, it may die with us. Keep MLPA on mind and vote in the elections and let your representatives know you fish and vote. It is essential we are heard, otherwise we may lose our right to fish, then hunt and shoot. The anti-sports groups are well organized and assaulting the outdoor sports on all side. To stand on the sidelines and let someone else voice your opinion is a sure death knell. Write, call, email or contact your representatives to let them hear your voice on the issues.

Make it a point to go to a freshwater event at least once during the year. That is a great time to bring someone who wants to learn the sport. The fees are reasonable, usually free. Tell

Meeting will start at 7:30 pm.

Invite a fisherman to the next meeting or bring a friend. Get involved in our monthly raffles and sign up for our monthly charters and our monthly freshwater events. 2012 Membership Drive

The 2012 Membership Drive is on!!!! Pierre will have **pre-printed forms** Just bring your check or cash and validate your personal information on the pre-printed forms. The data on the pre-printed forms comes from the club database. This is the best time to verify and update your information. (Please make every effort to use the pre-printed forms rather than fill out a blank form. I have had instances when people supplied "new" or "revised" information (or I couldn't read their writing), only to have to change the information back at a later date! Thanks for your consideration and cooperation.)

The dues for 2012
Are the same as last year: \$45 for an individual and \$60

Dave where you want to fish and then come out and show your support.

Invite fellow fisherpersons (PC) to attend meetings. Tell Dick who you'd like as speaker. Otherwise he will speak again! Tell Ernie where you'd like to saltwater fish and then after raising your hand, show up for the trips you'd like to take.

If you have an idea that will improve the club, speak up and be heard! Speak to a club chairman or write your idea down and give it to me to bring before the club. All ideas are welcome.

I guess what I am saying is PARTICIPATE! The club is stronger when all voices are heard.

Finally, for most the season will be winding down during the next few months. Get out there and fish! A lot of slots are open on trips and the Whopper Board!

I will be calling for a Board meeting after labor day to discuss the Awards Banquet and 2013. All interested parties are invited. I will let Sam know and he will post the date. If you are not getting your newsletter, please let Sam have your email address. If you absolutely need one mailed, please see me. I try to get them out before the meetings.

See you at a meeting or on the water soon.

Fresh Water Event Update

July 21st Bolsa Chica Surf Fish Outing

Laney, Mike and Dave and reportedly Don, Fred And Glenn made the surf fish outing. I guess Don, Fred and Glenn caught all their fish reel quick, because they were gone before I had a chance to say HI.

The morning started out with lots of potential, incoming tide, small surf, sunny skies and not too many surfers. We were also finding plenty of sand crabs for bait, so we felt we had the deck stacked in our favor. As the tide kept coming in, the fishing finally peaked around 9:30 when I landed a nice Spot Fin Croaker. Laney had a nice fish on, until a surfer crossed his line and the fish got away. Mike kept at it like a true soldier, but only came up with kelp and crabs. By 11:00 the surfers had a strong foot hold on the beach, so we made our get away for another day. We all had a good time and are looking forward to the next outing on August 18th. See you there?

Will Ebersman was on an LA R&R Kids Trip. He also mentioned a trip on the Tradition that had Yellowtail on the boat.

Glenn Bummer spoke about a Tak trip that resulted in 20lb WSB taken and black sea bass caught & released. He mentioned delaminated mono.

5 people, who shall remain anonymous, missed the July meeting because Ron Coleman scheduled on of his trips out of San Diego at the same time. So they were gone fishing.

Don Merrill was on the Tak and he said he was on the Freedom 3 times. Said he got a 31# Yellowtail and 19.15 lb WSB. He said also a 150# Black Sea Bass was hooked and released.

Denise & William Davis took a week off in June and traveled to San Francisco in pursuit of Salmon. No Salmon those 2 days. Then they ventured to San Diego and went out on the Bay with Bob Day of En La Mosca and caught Spotted Bay Bass everywhere and William got 1 lizardfish too. All were released. They also did a Dawn trip at the end of the month which turned out to be a rockfish trip.

OK, if you haven't turned in your pictures to Warren for the Whopper Board make sure you get them in on time or they will be disqualified. And make sure your dues are paid too.

Turners Island Tak Trip July 28, 2012 By Ernie Branch

Saturday morning as we left the dock,, most of us were thinking that it would pretty much be an all-day Calico Bass trip. But as a great surprise, Captain Steve mentioned that there were White Sea Bass around the area and that we would give it a shot 1st thing in the morning. Sur enough Don Udlock put the first one on board early in the morning to get the ball rolling. After that 4 more came in caught by Bill Sullivan, Chuck Auer, Raffle winner Karl Penson, and Ernie Branch. It was a great trip and the weather was nice. Congratulations to Chuck Auer for catching a 20 pound Halibut and to Bill Sullivan for his 23 pound Yellow Tail. Also Karl Penson boated a barracuda and nice size Cabazon. Our jackpot winners were Bill Sullivan with his 23 pound Yellow Tail and Ernie Branch with a 3 pound 5 once Calico Bass. Others who attended the trip were; Ron Coleman, Alex Perez, Fred Burnthal, Mike Maurizio, Glen Bummer, and Jim Clough. Sorry that Dennis Dickson couldn't make it, but on a good note, Bill Sullivan who took his place ended up with the jackpot Yellowtail and a nice White Sea Bass to boot. Well Dennis, I guess Bill owes you one. See you all at the next meeting

Thanks

Pacific Dawn Trip Tuesday July 24, 2012 By Ernie Branch

One of the best days I have had fishing. Lucky to get on board an open party charter. I was fortunate enough to get these 2 nice Halibuts and 3 White Sea Bass to small to display. The Halibuts were 30 pounds plus. All in all the boat for the day got 27 Halibuts 25 to 50 pounds and 36 White Sea Bass in the 12 to 15 pound range. Sometimes you just get lucky and everything just falls into place. Well that was the case for everyone who went on that trip.

Keep on Fishing
Ernie Branch
