

## **Boil Water Rescind Notice**

**On June 24, 2021, the Texas Commission on Environmental Quality (TCEQ) required the City of Cisco/0670001 to issue a Boil Water Notice (BWN) to inform our customers that due to the presence of contaminants or an interruption in service, water from our system must be boiled prior to consumption.**

**Our system has taken the necessary corrective actions to restore adequate pressure, disinfectant levels, and/or bacteriological quality and has provided TCEQ with testing results that indicate that the water no longer requires boiling.**

**If you have questions, contact Randy Johnson at 254-442-2671 or City Hall at 254-442-2111.**
