Tribes ~ Province ~ Shire

7 Tribes with 7 main languages and many dialects.

**1 GOD's** design for Humankind includes the urge to migrate (**swarm, wander**) As Humankind evolved migration evolved. Africans wandered into Persindia, Oceania and Mongolia. Mongolians wandered to America, Amazonia and Oceania later on horseback to Persindia, Africa and Europa. Europeans sailed to all Provinces. The Evolved wandered into Persindia and sailed and flew to all other Provinces.

Reasons for human migration: **1 GOD's** design instinct (**swarm, wander**). Disasters make the local Habitat not livable, climate change make the local Habitat unlivable. **Selfishness** (the grass is greener somewhere else) and **population growth**.

Humankind has evolved enough. Population growth is sufficient to establish 7 Tribes making up 7 Provinces as envisaged by **1 GOD!** As of '0.1.1.1'(C.G. Kalender) all migration (long or short term) between Provinces has become illegal (illegals are sent back).

**Note !** Asylum seeking is not acceptable they are to be treated as illegal's. These people (**opportunists**) should have stayed from where they came from and made a difference there, rather than running.

**Illegal migrants (Im)** are returned without delay to the province they came from that includes any children that they may have had. Illegal migrants cannot be integrated, they are always sent back, no exemption. 'Im's' that cannot be returned are prosecuted, **MS R7**. 'Im's' children are put up for adoption. People responsible for helping illegal's are prosecuted: **MS R7**

**Migration** is classified as long term (**re-settlement**) or short term (**travel**).

**Re-settlement** is only possible within a Province. Re-settlement is moving between Shires. **Exemption, 'Israeli' they can only live in the**

'Promised Land'. They cannot leave the Promised Land. Israeli found outside the Promised Land are immediately transported to the Promised Land. **1 GOD's Wish !!!**

**Moving** between **Shires**. There are regulations, adults have to have work at their destination Shire. Before they can move. The employer has to organize cluster housing. Seniors have to organize cluster housing at their destination Shire. Before moving.

**Travel** is only possible within a Province. Passport is obsolete. Business, Government use Internet, Video conferencing to communicate with other Provinces.

**Tourism** has developed into a menace. Cruise ships (**incubators**) unload tourists that swarm like insects (**cockroaches**) over ports and local habitat. They disrupt local lifestyle, drive up living costs for locals. Increase health risks. Create mountains of waste. This entertainment of the idle well off Ends! This also applies to air, coach, rail tourism.

Capitalism started migrating business entity's (**multi national's**). This Ends! **Multinationals** are converted to **CROn** (**no compensation**)!

**Franchising** is a Greed, Profiteering cloning marketing system. That uses a particular business model than clones itself. Designed for mediocre small profiteering capitalist. To spread cancer like (**Globalization**) over the Planet. Customers lose their identity. They look and eat the same in NewYork or Berlin. Mindless Zombies.

**Cloning is a cheap mindless copy. Globalization is Anti 1 GOD!**

**Franchising** destroys local traditions, uniqueness, diversity, culture. Most Franchises are 'US' or based on US-Marketing systems. They offer often unhealthy products: E.g. Junk Food outlets, US and their Culture clones are the main cause of the 'Diabetes' Plaque, 'Obese Plaque (**Blubber people**)', high Blood pressure epidemic, Acne...

Franchises destroy local Cuisine, Fashion... Communities, Government that allow Foreign Franchises to operate betray local cuisine, heritage, traditions and population, **MS R7**

**Franchises** destroy diversity by selling 'Designer clothes'. These clothes are uniforms (**jeans..**) for people who betray their culture and heritage, mindless, primitive, dumb clones. **Shun these dummies!**

**Franchises** with their slick marketing (**exploiting human weakness, gullibility**) are the main cause for the Addictions: Shopaholic, Gadget Junky! Franchises are understaffed, use poorly trained underpaid juniors, casuals. Customer service is poor or non existing. Most 'Bargains' and 'Sales' are Fraud!

Custodian Guardians believe that Franchising is Anti **1 GOD**. It undermines **1 GOD's** design of local uniqueness, diversity. Franchising being global defies **1 GOD's** Anti Globalization.

### **Must-Do:**

**Confiscate** (**without compensation**) all Franchises, convert them to local **CRON!** **Punish** Greedy Franchisee cage them, **MS R6**. Support local unique traditional business (**converted to CRON**).

Capitalism migrated capital (**foreign ownership**). Foreign ownership Ends without compensation! Government that allows Foreign ownership is replaced and prosecuted for, 'Treason' : **MS R7**.

Allowing Foreigners to control, exploit, own, plunder is **TREASON !** Government that allows Foreigners to take advantage (**Rip off**) of locals is committing Treason (**crime**). Government is replaced, **MS R7**

### **Examples of how Foreign Ownership Treason works:**

**Foreign Ownership** alter, corrupt, destroy local: culture, values, jobs, traditions,.. Foreign Ownership plunders local: Intellectual-property, Know How, Resources, Wealth... **Foreign Ownership Ends. Free Trade Ends.**

**Foreign Ownership** drives' up land and real-estate prices. Making Homes not affordable for 1<sup>st</sup> home buyers'. Result, increasing homeless... Foreign Ownership of 'Freehold' (land, real estate) Ends. It is confiscated without compensation by the Shire.

**Foreign Ownership** of entities results in foreign leadership positions. Denying locals to hold these positions. Decreasing promotion opportunity increasing unemployment ... Dumping down of local staff.

**Foreign Ownership** of manufacturing results in importing their supplies. Rather than buying local. Also local intellectual property is taken offshore!

**Foreign Ownership** of Entertainment undermines local talent and their opportunities. Brainwashing locals to become foreign culture clones losing their entity. Foreign ownership of Entertainment is the greatest threat to local culture, customs, dialect and traditions. If you are American watch American entertainment. If you are not, don't watch American entertainment.

**Foreign Ownership** leads to local wealth going overseas. Leaving locals poor, destitute. Foreign Masters owning local peasant servants.

**Foreign Ownership** of Franchises destroy local business, uniqueness, diversity. Undermining local traditions forcing unsuitable foreign culture on the local community. Betraying locals.

**Foreign Ownership** of resources leads to the foreign owner selling the resources cheaply to his country of origin benefiting them. Robbing the locals of the resources, their wealth. Letting foreigners own local resources is Treason, MS R7

**Foreign Ownership** of Food production, food distribution. Result: Food production caters for Export leaving locals with the Export rejects at high prices. Also some local foods will be replaced by a foreign diet.

**Foreign Ownership** of Media is an invasion by stealth. Foreign

media influences locals to the benefit of foreigners. Destroying local culture, heritage, traditions, corrupting Politicians, Government. Government (giving in to foreign media blackmail) loses their sovereignty (becoming stooges to foreigners ), betrays the local population, commits Treason, **MS R7** E.G. Australia' politicians groveling to US media!

**Foreign Ownership** often leads to Blackmail. Foreign multinational demand a Government give them handouts, tax freedom, cheap labor. Government is threatened that if it doesn't capitulate to the Foreign Owners demand. They will find a government that does meet their demands and move their operation there. E.g. Australian Government regularly paid (100's of millions) out to Foreign Multinational Car companies. They sent Executive bonuses' home and increase their foreign shareholders dividends'. **Note!**

Australia eventually said no to Foreign Car makers blackmail. Car makers (Ford, General Motors, Toyota) closed factories, become importers. Custodian Guardian do not use transport from these companies, they cannot be trusted.

## ZERO TOLERANCE TO MULTINATIONALS !!

**Foreign Ownership** is possible because of betrayal by corrupt Government. Government, Government employees that facilitate this betrayal are to be replaced and prosecuted for 'Treason': **MS R7**.

### Must-Do:

**Cancel Foreign Ownership** of: Businesses, Manufacturing, Assets, Intellectual property, Primary production, Resources, Land, Real Estate ! Without compensation.

Replace foreign owned businesses with **CROn** (Community Run Owned not for profit)! **Support CROn! Shun Multinationals!**

Replace prosecute (Treason) Government its Public servants that allow or encourage Foreign Ownership! **MS R7** Foreign Ownership is an invasion, occupation without the use of military force. **Defend your community from this threat.**

Only allow Imports that do not compete or replace Local goods and services. Encourage local production to avoid having to import.
