DESCRIPTION: Great looking short hunting bow. Marblewood riser with contrasting laminates. Comfortable grip; well balanced and smooth. Bow has no delamination; no cracks; limbs are straight. Overlays and tips are in great condition. No drilled holes; No chips, dings or cracks. No stress lines. There were quite a few scratches on the limbs, along with considerable crazing. So the limbs were refinished and I was not able to save the decals. A few nicks and scratches here and there.
