

Hello abate members I'm sorry but this will be a short one tonight. Been working lots of hours and not much time to do anything else. So that being said I'm just going to go over a few things that went on at our meeting. Like Ralph rebrandt running for governor was at our meeting. Dondi vesprini was there talking about insurance. It is always good to hear from him to help keep up on your insurance and what to do.. And Jim Rhodes was there keeping us updated on what's going on in Lansing. It is always good to see Jim Rhodes and his wife Judy. Well that's all I have time for right now by the time you get this our Halloween party and color run are probably already over with in the softball game will be over with too so when the tree stumps start slowing down and tree takedown slows down I'll be doing longer newsletters and congratulating new members and birthdays. And renewal members too we're getting a lot of them coming back which is great. So everyone stay safe have a good holiday coming don't forget to pray for the ones that need our prayers the most. Have a safe wonderful holiday
