

PLEIADIAN COLUMBIA

The purpose of this illustration is to show that the District of Columbia with the Pentagon emphasis is configured to the Cydonia, Maris Pleiadian pattern. This pattern is present in all the other major world capitals. There are 3 main components that involve a financial city that is build up, then there is an oval type of structure to correspond to the Face of Mars, as in this case the Oval Office. The Pentagon corresponds to the D&M Pyramid that is usually a fortress or prominent building. The entire Cydonia, Mars complex configures a hexagram that when superposed to the Columbia area produces an approximate correspondence with prominent landmarks at the junctures. Along with the ley-lines, there are unique measurements that span the distances from one component to the next. The measurements are an approximation based on GoogleEarth coordinates. All the prominent world capitals have this motif as a signature of a sacred knowledge that is very important and hidden in plain sight. Who are the peoples behind this worldwide composition that extends back to the ancient pyramid sites of the world?

In this rendition of the reflection from the Pleiades in the Cydonia, Mars configuration has the position flipped horizontally, truly a mirrored image on Earth as it is on Mars. This pattern in DC is almost in the same position as that of the City of London with the financial skyscrapers corresponding to the stars of the constellation.

THE PLEIADES

Are these hexagram motifs and places on Earth a combination to pierce spiritual dimensions? What is the connection to the planet Mars and the veneration of the God of War? Why is sacred geometry used and impeccable mathematical relationships used in the architecture of world capitals and ancient buildings such as pyramids and ziggurats? Evidently the rules of the world who have all the resources and power go to great lengths to incorporate this religion that mirrors the cosmology of the stars.

CAPSTONE YEAR?

If the core of the White House complex is patterned after the Great Pyramid of Giza, then the King's Chamber would function as a 'hour glass' of time. The Sarcophagus would correlate to the Oval Office and the White House would mirror as the apex or pinnacle as the Pentagon also terminates at the White House corresponding to the year 2016 or 5776.

THE COUNTDOWN ?

Does the coordinates from the God of War signify how long his lease on the U.S. Presidency will last? Is the distance in Smoots from the Obelisk to the edge of the White House entrance an 'Hour Glass' of time that is counting down to this event? Only time will tell but the speculation is intriguing given that the Great Pyramid pattern appears to be incorporated in the design.

THE FAÇADE OF ALA-LU MAUSOLEUM

The purpose of this illustration is to approximate the scale of how large the Face of Mars mausoleum to the 'God' Ala-lu is in comparison to the core of the District of Columbia, the Mall. In comparison, the Martian mausoleum is massive in size taking up the entire width and breath of the Mall from the base of the Washington Monument to the Capital Hill for example. The various measurements typifies the Luciferian signatures of sacred numbers.

The scale of the Pleiadian Pyramid City approximates the relative size of a modern metropolitan city core. The only difference is that the various structures were massive in size and

Is it any coincidence that the size of the Face of Mars would envelope the entire Washington DC Mall area. The size of the Pentagon Fortress would look like a massive mountain. PLEIADIAN STAR MAP OF COLUMBIA

The purpose of this illustration is to suggest that the core of the District of Columbia is patterned after the cosmic alignment of Sirius to the Pleiades. This configuration is based on the Luciferian religion of Nimrod, the 1st Mason after the Flood of Noah. It sets the Queen of Heaven, Lucifer as Sirius and his consort, Orion with its complimentary sexual union at the Obelisk. It is a rendition of the phallus or Shaft of Baal. Wherever there is a dome and obelisk architecture, it is a euphemism of this Sirius and Orion union that 'impregnates' the vector as if a 'Manchild' is to be birthed.

This is Mystery Babylon, the antitype of the Virgin of Christ as compared to in the book of Revelation. One reason why this portion of the cosmos or Mazzaroth is so inscribed around the world in the most prominent of places and temples of the world capitals is that this region has the concentration of the brightest stars in the Universe.

This region is said to be where the Fallen Angels and their 'Queen' Lucifer rebelled from and were expelled from, thus the very Throne of the Creator, YHVH. This cosmic composition superimposed over the Columbia is a counterfeit of the real association that is defining the work of Jesus Christ the true Orion, Sirius taking the wrath of YHVH or as it were Taurus on the cross for the sins of the Pleiades, the Virgins, the 7 Churches of Asia to ready as a Bride.
