

I. PURPOSE

The purpose of this policy is to provide direction for selection of textbooks and instructional materials.

II. GENERAL STATEMENT OF POLICY

The school board recognizes that selection of textbooks and instructional materials is a vital component of the NWSISD curriculum. The school board also recognizes that it has the authority to make final decisions on selection of all textbooks and instructional materials.

III. RESPONSIBILITY OF SELECTION

- A. While the school board retains its authority to make final decisions on the selection of textbooks and instructional materials, the school board recognizes the expertise of the professional staff and the vital need of such staff to be primarily involved in the recommendation of textbooks and instructional materials. Accordingly, the school board delegates to the Executive Director the responsibility to direct the professional staff in formulating recommendations to the school board on textbooks and other instructional materials.
- B. In reviewing textbooks and instructional materials during the selection process, the professional staff shall select materials which:
 - 1. support the mission and goals of NWSISD and its education programs;
 - 2. consider the needs, age and maturity of students;
 - 3. foster respect and appreciation for cultural diversity and varied opinion; and
 - 4. fit within the constraints of the NWSISD budget.
- C. The Executive Director shall be responsible for developing procedures and guidelines to establish an orderly process for the review and recommendation of textbooks and other instructional materials by the professional staff. Such procedures and guidelines shall provide opportunity for input and consideration of the views of students, parents and other interested members of the NWSISD community. This procedure shall be coordinated with NWSISD's curriculum development effort and may utilize its Multi-District Collaborative Council.

IV. SELECTION OF TEXTBOOKS AND OTHER INSTRUCTIONAL MATERIALS

- A. The Executive Director shall be responsible for keeping the school board informed of progress on the part of staff and others involved in the textbook and other instructional materials review and selection process.
- B. The Executive Director shall present a recommendation to the school board on the selection of textbooks and other instructional materials after completion of the review process as outlined in this policy.

V. RECONSIDERATION OF TEXTBOOKS OR OTHER INSTRUCTIONAL MATERIALS

- A. The school board recognizes differences of opinion on the part of some members of the NWSISD community relating to certain areas of the instruction program. Interested persons may request an opportunity to review materials and submit a request for reconsideration of the use of certain textbooks or instructional materials.
- B. The Executive Director shall be responsible for the development of guidelines and procedures to identify the steps to be followed to seek reconsideration of textbooks or other instructional materials.
- C. The Executive Director shall present a procedure to the school board for review and approval regarding reconsideration of textbooks or other instructional materials. When approved by the school board, such procedure shall be an addendum to this policy.
