## MAD SCIENCE DON'T TRY THIS AT HOME

Tuesday, July 16<sup>th</sup> at 1:00

We often encourage children to try some of our show experiments at home, but not with this show. *Don't Try This at Home* has some experiments that are too dangerous for children to do or require exotic chemicals that are hard to find or aren't safe for children's play. But, they make for exciting demonstrations with lots of reactions and a BOOMing finale!

This program may take place outside on Center Stage, behind the old town hall.

*This program is best suited for grade K and up. No registration is needed.*

*The above program is made possible by the Library Board of Trustees through generous financial support received from the "Savas Fund"*
