February 8, 2019

RATIFICATION OF BARGAINING THEMES

Your CUPE 116 bargaining committee has held several meetings to conduct a comprehensive review of the bargaining survey results.

Based on these results, a review of issues identified in previous rounds of bargaining and the day to day operation of the Collective Agreement, the committee will be presenting a summarized document of general bargaining themes for ratification by the membership at the February 20, 2019 general membership meeting.

The membership meeting will be held at the Chemical and Biological Engineering Building (CHBE) Room 103 at 4 pm.

We look forward to seeing you there.

In solidarity,

Your CUPE 116 bargaining committee
