A Virtual Fiscal and Program Management Series

2020 LEADING, INNOVATING TOGETHER
July 2020

ABOUT THE CONFERENCE

Every nonprofit organization must balance the pursuit of its mission and financial viability. The health of the organization depends on its ability to weigh its mission, capital structure, and organizational capacity in equal measure both as individual areas of concerns as well as on a larger scale in relation to each other.

The **Region IV Head Start Association** has collaborated with the **Region IV Office of Head Start** to offer a virtual fiscal and program management series that addresses trending issues, is responsive to your voice, and is reflective of our joint commitment to improve grantee performance and support continuous quality improvement in program leadership. The series was created by the **National Center on Program Management and Fiscal Operations (NCPMFO)** at the University of Massachusetts Donahue Institute, and the content will be presented by the talented NCPMFO team of experts.

Join us for a learning experience that will encourage breakthrough thinking and collaborative problem-solving while expanding your understanding and application of management principles, quality initiatives and best practices.

WHO SHOULD ATTEND

A strong organizational team is a powerful mechanism for getting results and managing change. This event is ideal for organizations committed to harnessing the power of teams, and grantees are encouraged to register as an organizational team: Executive Director, Head Start Director, Fiscal Officer, Content Area Managers, Board and Policy Council Chairs/Members, as well as other key staff who hold a position of responsibility and accountability.

SESSION DETAILS & REGISTRATION (6-PART WEBINAR SERIES)

Review complete session details below. Click session titles to register. Advance registration is strongly encouraged to ensure that platform capacity can accommodate demand. The sessions are provided at no cost to grantees. Each session will include a link to complete an evaluation. Once the evaluation is completed, participants will receive an attendance certificate. WEBINAR 1

Managing and Supervising Remotely in Uncertain Times

Date: July 7, 2020 | **Time:** 10:00 a.m. – 12:00 p.m. EST

[REGISTER NOW](#)

In response to the uncertainties presented by the pandemic, many HS/EHS programs found themselves suddenly working from home. For many managers and supervisors this is a new experience that requires new skills. As time has progressed, HS/EHS programs find they might need to re-imagine how they will continue to work from home for a longer period of time. This discussion will offer ideas and strategies to work productively at home, manage virtual meetings, and supervise virtually when staff are accustomed to working with others in offices, classrooms and in the communities they serve.

Opening Remarks:

- Dr. Nannette Phillips, President – Board of Directors
Region IV Head Start Association
- Heather Wanderski, Acting Region IV Program Manager/Program Operations Division Director
DHHS/ACF/Office of Head Start

NCPMFO Presenters:

- Jacqueline Davis, Professional Development Manager/ Program Management & Governance Specialist
