

It Happened Again

It happened again tonight.
No stars on a very dark night.
It happened again tonight.
Guess everything was just oh so right.
I can spot love in the darkest dark.
It happened again tonight.

I know a dream when I hear it.
I know love when I feel it.
I know you and me.
I know love when I see it.

It happened again tonight.
I can recognize love on the darkest night.
It happened again.
It happened again.

If you know the feeling,
Come on and moan with me.
You don't have to know the words.
No, no, no, no,no,no,no

It happened again tonight.
It must be everything is light and bright tonight.

I know a dream when I hear it.
I know love when I feel it.
I know you and me.
I know love when I see it.

If you know the feeling,
Come on and moan with me.
You don't have to know the words.
No, no, no, no,no,no,no

It happened again tonight.
