IMPORTANT

- DO NOT ENTER IF YOU HAVE ANY SYMPTOMS
- Bring **Completed** Referral FORMS with you! (On reverse side)
- Please note, **NO CONCUSSION** injuries will be seen at these Sports Injury Clinics!

The Sports Injury Clinics are underwritten and financed by SWSWF and grant from the Conrad Prebys Foundation. The Southwest Sports Wellness Foundation (SWSWF) was established in 2010 to fill a need in the under-served areas of the San Diego community by underwriting high school sports screenings, assessments, and evaluations. These various programs provide free high school sports injury clinics, access to educating physicians, physical therapists and certified athletic trainers, and provide curriculum for students with an interest in sports medicine and field of healthcare. SWSWF supports the specialized sports medicine injury assessment. Independent medical service providers assist in the evaluation and treatment plan for the injured student-athletes. The goal is to return the athlete to sports safely and in a timely manner.
