

Please note the following rules that we are implementing upon our limited re-opening:

1. We do recommend all patrons wear masks until they are seated. Also, please wear your mask if you have to get up to go to the bathroom, as well as when you are finished and are leaving.
2. Please text the following number upon arrival **613-451-0595** and let us know you have arrived. We will text you when your table is ready. This measure is to minimize the amount of people entering and exiting the building at one time. We do still have a store operating as well.
3. Please wait in your car until we have texted you that your table is ready, at which point you can enter the building.
4. Please maintain social distancing of 2 metres while walking through the restaurant to your seat and throughout your visit if you should have to get up to use the bathroom.
5. We have staggered seatings so that we can maintain a safe atmosphere for all customers, please understand that we will have to limit your seating to 1 hour and 45 minutes **MAXIMUM**
6. Please ensure that you have sterilized before entering the washroom, and sterilized after having used the bathroom. Proper hand washing is essential in stopping the spread of Covid-19
7. DUE TO THE POLICY FOR ONLY PATIO SEATING - YOUR RESERVATION COULD BE CANCELLED LAST MINUTE DUE TO WEATHER - WE APOLOGIZE IN ADVANCE FOR THIS
8. IRONICALLY, PLEASE AVOID CANCELLING YOUR RESERVATION WITHOUT PROPER NOTICE! WE ONLY HAVE A LIMITED AMOUNT OF SEATS AVAILABLE BY RESERVATION ONLY!
9. Please be kind and patient with us as we navigate these new systems! We promise to be kind and patient with you as well!

We welcome you back to The Cheshire Cat Pub!
