

Ashtead All Stars 2018/2019: Update No. 3

Sunday 30th September 2018

Dear all,

Please find the results of the last two weeks below. Unfortunately the U12/U13 Nonsuch matches were postponed last weekend due to the torrential rain, but the sun came out this weekend for a lovely day of netball for the U10s and U11s.

Thank you so much to everyone that helped today. It was truly a baptism of fire. Ashtead All Stars had the job of running the desk and providing refreshments (don't worry we only have to do this twice all season), slightly complicated by the fact that we have a set of new U10 girls and parents who had not been to Nonsuch before, and indeed some girls who were completely new to the game of netball ! We all managed to pull together and hopefully to the outside world it looked smooth and organised. We made a fantastic profit of £333 on the refreshments, which will go towards balls, bibs and equipment for the club.

From a coach's perspective it was a little frustrating to have so many girls unavailable to play on our very first fixture. We work very hard to get as many teams into the League as possible to allow all our girls to play, and then we ended up scrabbling around for players. Fortunately the girls that played had a great morning, and hopefully learned a lot. Thank you to the U9 girls who stepped in to help us out. We had some tough matches, but none of the girls gave up and still looked to be smiling at the end. Considering many of these girls had never played before, and certainly not together, I think the results are sound. Onwards and upwards, and a good experience for all. Results below.

More good news this week. Our U15/U16 girls have been accepted into the County League for the first time.
