No Tackle Left Behind

2018

2017's Tackle Drive and Swap Meet Sale was an overwhelming success!!!

We are again looking for Jigs, Lures, Rods & Reels that could be turned into:

“Perpetual Repurposed Fishing Fun”

The donated equipment will be refurbished and offered at the club meeting tackle table.

John Dewitt continues to perfect a new two part epoxy and sexy paint schemes for his repurposed jigs & lures.

All proceeds go to the clubs programs

We need Heavy & Surface Jigs. John can also use 2X and 3X treble hooks.

We can use Offshore/Inshore Rods-Reels to offer the membership in a club auction.

Check your Gear OSA Members, if you want to find a good home for your used gear and help the club, bring your stuff to a club meeting.
