

**CAR & RV WASH**

# Fundraising Program

## How it Works

Your group purchases the desired amount of \$10.00 gift certificates (sold in books of 12) to start. You pay only \$6.00 each (\$72.00 per book).

Your organization /group then sells the gift certificates for \$10.00 each (at a profit of \$48.00 per book of 12). Sell as many as you can for a six week campaign, return unsold gift certificates at the end for a full refund (\$6.00 each). Easy Peasy!

Example - 24 players on a school sports team need new jerseys.

24 players sell 12 gift certs (one book) each x \$4.00 profit (48.00 per book)

If each player sells only one book  
**= \$1152.00 raised!**

*Fast, easy and you can request as many more gift certificates as you can sell during the six week campaign!*

**# All sports teams and other organizations are welcome.**

## Just a couple of rules.

- ◇ Gift certificates cannot be sold on location at Soapy's or on Soapy's social media pages.
- ◇ The gift certificates are for wash time only - convenience store items and automotive accessories must be paid for separately, and with another form of payment.
- ◇ Books are to be purchased up front by your organization, cheque, credit or debit cards accepted. It may be possible to make payment at a later date but an initial security deposit will be required - amount to be determined by Soapy's management during the application process.
- ◇ Unsold gift certificates must be returned within 10 days of the campaign end date for a full refund.
