

Walk in Wisdom

Rachael Martin RV 5,31,2018

Psalm 25:5 - Lead me in Your truth and teach me, For You are the God of my salvation; On You I wait all the day.

Most of how I learn new things about my family and friends is believe it or not, social media. Gone are the days of phone calls and letters in the mail. Although we try as a family to keep communication in these ways alive, it's so much easier to just text or SMS someone!

I'm sure soon we will live in an even broader tech savvy world where we speak and move through teleportation more so than our smart phones.... I'm sure it exists somewhere... all in an effort to be more efficient...

That being said, it's very easy to cut and paste. There's a UNIVERSE of knowledge at our fingertips with the world-wide-web and it's easy to get information handed down 10 times over until it becomes a fabrication of what the original intent was. There are even websites that are eager to seek out the truth of things said in the news.

Friends may I ask of you to seek the Lord daily on what is truth? Don't just trust what is being said unless it's directly from the horses mouth. Unless it's the Lord leading us in ALL TRUTH, than it stands to be questioned unless it's from the original author.

As well, what we say and how we say it matters, and if wisdom isn't leading our speech, the Bible says we are wasting time. (ouch!)

I know that when it comes to history, sometimes all we have to go by is what's been past down from generation to generation and all that can be remembered sometimes is stories that, over time, have been altered not because of ill intent, but because of lack of understanding, knowledge, or even communication. However, God is able to help us focus. He is able to give us clear understanding. He is able to sort out confusion and give us peace and He will NEVER cloud our judgment. He desires us to walk in wisdom

Colossians 4:5-6 – Walk in wisdom toward them that are without, redeeming the time. Let your speech be always with grace, seasoned with salt, that you may know how you ought to answer every man.
