Freedom Hill Horse Rescue Signs 20 Year Lease

Freedom Hill Horse Rescue (FHHR) has signed a 20 year lease at Hampton Plantation, located in Owings, Maryland. Hampton Plantation was recently purchased by the Postow family who generously offered the term of the lease to the Board of Directors of FHHR. The terms of the lease ensure that FHHR will continue to provide rescue and rehabilitation for surrendered or rescued horses as well as the continuance of the many equine related programs for the community.

Freedom Hill Horse Rescue is in its 18th year of rescuing, rehabilitating, re-training and re-homing horses and of providing a sanctuary for those horses that need to live out their remaining years with quality care. Visit the website at www.freedomhillhorserescue.com or follow FHHR on Facebook and Instagram. Or contact FHHR at freedom.hill.org@gmail.com.
