

Eastern Upper Peninsula Cooperative Weed Management Area (EUP CWMA)

The EUP CWMA is a partnership between local, state, federal, private, non-profit and other entities concerned with the identification, management, and removal of non-native invasive species in our area (*Phragmites*, Garlic Mustard, Japanese Knotweed etc.). To learn more about educational and technical services available call Nick Cassel at (906) 635-1278.

Get Involved, Volunteer!

The District is always looking for motivated individuals to help out on various projects throughout the year from invasive species removal, tree planting, help with the tree sale and even office work. If you would like to get involved please call the District today!

CONSERVATION DISTRICT OFFERS FREE SITE ASSESSMENTS

Forestry Assistance Program (FAP)

The private forestland resources found in Chippewa, Luce, and Mackinac Counties draw a great deal of attention from many interested parties. There are many options and programs available to help you keep your forest healthy and productive. Contact CD Forester Patrick Blanzky for more information. Office: 906-632-9611 x109

Michigan Agriculture Environmental Assurance Program (MAEAP)

It has never been more crucial to pay close attention to risks and use of our water and natural resources. Technician Mike McCarthy will confidentially evaluate farm management practices for risk of loss or contamination to the environment. 906-632-9611 x101

Natural Resource Conservation Service (NRCS) Cost-Share Programs

Conserving our natural resources while promoting profitability and habitat enhancement is paramount in today's economy. District Conservationist Kent Dankenbring is available to provide land management planning advice and assist landowners seeking potential Farm Bill cost share assistance. 906-632-9611 x110
