

Town of Benton
Monday-July 8, 2019
Selectman's Meeting
1279 Clinton Ave
Benton ME 04901
207-453-7191

1. **Roll Call:** Selectman Dixon, Selectwoman Cyr. Absent Selectwoman Patterson.
2. **Secretary's Report:** None
3. **Accessing and Abatements:** None
4. **Old Business:** Correction about the Genetic Labs. Selectwoman Cyr wanted it to be known that the Genetics Lab did not come to Benton because there was no access to sewer lines and not because of Gary Dixon.
5. **Sand Shed & Gazebo:** Bids packets will be ready in the town office.
6. **Assessing and Abatements:** None
7. **Citizens' Concerns:** Kathe Bolster asked about the Transfer Station Contract. Selectwoman Cyr stated that the contract had been signed for a year.
8. **Oil Prices:** Prices for the upcoming year will be put out for bid.
9. **Bulger Property:** David Markowski spoke with the selectman about the Bulger Property and that it had not been cleaned up. Selectwoman Cyr suggested that a letter be sent out to Gary Bulger, giving him a month timeline to clean up the property. The letter would be signed by the Selectman. If he does not comply the town would then turn the matter over to the law office of O'Donnell and Lee.
10. **Pump Station:** Selectwoman Cyr stated that work on the pump station would start on July 15, 2019.
11. **Paving at the Pump Station:** Road Commissioner Littlefield will have spec sheets for the bids on the paving project at the pump station.

12. **Adjournment:** Selectman Dixon motion to end the meeting at 6:50 p.m., Selectwoman Cyr seconded all in favor.
