

2023 National Cleanup Workshop Early Career Professional Session

Marriott Crystal Gateway
1700 Richmond Hwy, Arlington, VA

New for this year's National Cleanup Workshop is an increased focus on early-career professionals. The event will feature sessions on Monday, September 11, aimed at helping early career professionals learn more about the U.S. Department of Energy's (DOE) Office of Environmental Management (EM) and how to grow and succeed in the DOE cleanup program.

Hosted by the Energy Communities Alliance in cooperation with the U.S. Department of Energy and the Energy Facility Contractors Group
