

GOGEBIC COUNTY ROAD COMMISSION and TOWNSHIP DISCUSSION

MONDAY, SEPTEMBER 24, 2018 3:15PM

In Attendance

Marti Wegner John Matonich Dan Peterson Roy D'Antonio Phil Strong
Patti Hagstrom John Cox-Wakefield Township Larry Grimsby-Erwin Township
Steve Boyd-Ironwood Township Kelsey Roble

Discussion

Discussion took place on the spreadsheet provided on the 2019 Gravel Placement Program, the increase of routine maintenance items to include culvert replacements, ditching and mowing/brushing operations. It was suggested that when road tours are done that a member of the Board also attend.

Larry Grimsby requested that VanBuskirk Road be patched as there are large cracks in the roadway. He also requested that road name signs be replaced. He will provide a list of signs to GCRC. The township is responsible for the payment of the signs and posts. Larry asked if wooden posts could be used. He also commented on the large amount of through truck traffic in Erwin Township.

Steve Boyd asked about repairing the railroad crossing on Lake Road. This will be added to the list to look at for repairs.

Marti Wegner gave an update on the Driveway Culvert Replacement Policy.
