

Contract Caregiver Pre-Contract Knowledge Test

To best serve our clients and to make sure our caregivers are a good fit for serving the elderly and others in need, Psalms Home Care requires that all of our caregivers have some experience and/or possess minimum knowledge for the very special field of serving the elderly and others in need (to include homemaker services).

If you have a passion and desire to serve others and believe this is your calling, Psalms Home Care invites you to join our team and make a difference to those in need.

Please complete the following before we can get started:

Psalms Contractor Application

Psalms Background Check

Psalms Orientation Packet

Four Quizzes to test your knowledge (once you have completed these quizzes, you are then authorized to review the ANSWER KEY Folder to check your answers and review/correct as needed)

We will interview you and ask you to complete the application form and background check. We also need to make sure that you review, complete and sign the pre-contract paperwork and quizzes. Once you notify us that this is complete, we will set a time for you to come to our office so we can gather the additional required information from you and review your completed paperwork. We will be able to pay you for 2 hours of time when you come to our office training room and demonstrate that you have met the pre-contract requirements by completion of the forms and quizzes to test your basic knowledge to make sure that you meet the contract requirements.
