## NOVEMBER IS THE MONTH FOR FAMILY

Don't forget to remind yourself of what you're grateful for and enjoy your time with friends and family!

## MEMBER OF THE MONTH

### James and Vonnie Myrick

The Myrick's joined NorthShore in 1984. They enjoy playing golf and meeting friends and family for special dinners and events! They're favorite thing to eat is the seafood buffet at our special Seafood Friday Night Feature nights!

James and Vonnie both graduated from Angleton High School in Angleton, TX. After getting married in 1963, James went on to graduate from Sam Houston University.

They are very proud of the oilfield related business they started in 1981. It is now the family business and managed by their three children. Their children have done an excellent job of keeping the business going for their parents, themselves and their families. James and Vonnie are retired now and love to travel and spend time at their ranch near Three Rivers, TX.

The most important people in the Myrick's lives are their three children, grandchildren and currently five great-grandchildren. They feel very fortunate to have everyone living near them in Portland except for one granddaughter and her family that live in Woodsboro. Thankfully that's not too far, either! They love spending time with their family.

James and Vonnie have been married 56 years in December! They celebrated their 40th and 50th anniversaries at NorthShore as well as their daughters wedding reception in 1998. Many weddings, baby showers and special luncheons have been enjoyed by their family and friends at the club.

We are proud to have members like the Myrick's at our Country Club and look forward to seeing them!
